INTRODUCTION

This guide is intended to identify sources that give names of local soldiers and histories of how the communities of Erie County responded to the Civil War (1861-1865).

The Civil War collection in the Central Library is extensive. For practical reasons, we created three handouts to best describe our holdings. See also:

Civil War Genealogy & History for New York State
Civil War Genealogy & History for States Other Than New York

Nearly everything listed here can be found in the Grosvenor Room (GRO). Material in the Grosvenor Room does not circulate and cannot be removed from the room. Some titles may be held in “Closed Stacks”, please see a librarian for assistance. In a few cases, there are extra copies of these books that can be borrowed from the Humanities & Social Sciences (HSS) Department.

Books are listed in call number order. Shelf locations are always subject to change.
