

NEW YORK CENTRAL TERMINAL: SELECTED SOURCES IN THE GROSVENOR ROOM

The New York Central Terminal on Memorial Drive at Paderewski was designed by the architectural firm of Fellheimer and Wagner and opened on June 23, 1929. It is a designated local landmark and is on the National Register of Historic Places. The Grosvenor Room has several sources of material available on this beloved Buffalo building. *The items listed here are non-circulating*, meaning that they cannot be borrowed or taken out of the Grosvenor Room.
