

# NEW YORK READS: DRAWDOWN

March through April 2019 - The Buffalo & Erie County Public Library will join the NEW YORK READS: DRAWDOWN environmental sustainability initiative.

*New York Reads: Drawdown* provides communities with the opportunity to come together in conversation around science-based solutions that can help them take purposeful action with *focus*. Read the book, look for programs or join us in the Challenge and make a difference.

- [Check out the Book \*Drawdown : the most comprehensive plan ever proposed to reverse global warming\*](#) at your local library
- Take the Drawdown Challenge and Join the “Buffalo & Erie County Public Library” Team. Make a difference and learn more at <https://drawdown.ecochallenge.org/teams/buffalo-erie-county-public-library/participants>
