34	There are so many fun library TikToks and Twitter feeds. I would love to see more from BECPL. An easier way to find a master list of circulating equipment tools, games, etc. and where they are located would be great! 53	I do not like programs that introduce kids to things that are not appropriate for children.	11/14/2022 11:10 AM
54	Closing both the Soto and Crane branch libraries for several months at the same time was very poor planning. I live within walking distance to both libraries and neither of them are currently open until at least February. It's not a terrible inconvenience for me, since I have a car and time that I can visit other libraries, but for those who rely on public transportation in these neighborhoods, it could be much more difficult to access library services.	11/13/2022 3:29 PM

87	Love the library!	10/26/2022 5:14 PM
88	I visit the library weekly	10/26/2022 4:02 PM
89	I wish the Lancaster library would stop allowing the toddler classes to be booked as a group of several weeks instead of individually. It is almost impossible to get them and the waitlist seems to be pointless. I live in Alden and was driving to the Clarence one because they offer them individually so you have a chance to get a spot.	10/26/2022 3:08 PM
90	I love the library!! Thank you for all that you do! I am constantly encouraging my friends and family members to take advantage of all that the library offers.	10/26/2022 1:28 PM
91	Please add more daytime programming for kids. Homeschoolers are always looking for activities!	10/26/2022 1:02 PM

94	We love our library!	10/24/2022 11:39 PM

107	I'm having difficulty downloading the hoopla app on my kindle and am not sure if it's even compatible with kindles ? It would also be nice to see programming specifically geared to the 75+ age group - my mom is 80 and it seems you have great programs for younger people and some for older adults. It would be nice to have a quarterly or monthly targeted senior meeting. A senior cookbook club, craft, skill, or some type of that gathering would be great!	10/24/2022 12:43 PM
108	The library is the best resource in the community, please keep doing all the amazing things you do!	10/24/2022 12:43 PM

113	I've always been curious about volunteering as a mathematics tutor at a library.	10/24/2022 11:37 AM
114	Absolutely love the library! Would like to see more writers groups and resources though, virtual and in person. It's tough to find groups!	10/24/2022 11:29 AM
115	Please keep doing an amazing job by providing the resources libraries do!	10/24/2022 11:16 AM
116	no	10/24/2022 9:57 AM
117	I love libraries; keep up the good work. I do suggest having more classics on hand at local libraries, works by Steinbeck, Faulkner, Maugham, etc.	10/24/2022 9:34 AM
118	I'm so sad the Isaias Gonzalez-Soto and Crane branch are closed for renovation at the same time!	10/24/2022 9:24 AM
119	My daughter loves the crafts but they often run out by the weekend. Also she is obsessed with the new light table at Hamburg. Great addition.	10/23/2022 10:10 PM
120	We love the library's children's activities and librarians!	10/23/2022 5:04 PM
121	I am there most often with my 3 yr old daughter. We go to preschool story hour with Lydia at the Boston library every week. Lydia does an amazing job and we are so grateful for this activity!	10/23/2022 2:37 PM
122	I really appreciate the library system! I borrow a good number of books and movies and love when there are puzzles or other activities available in the library to do and the used book sales events!	10/23/2022 12:47 PM
123	More frequent book sales would be dynamite	10/23/2022 11:54 AM
124	The public library is one of the best things about this county and this country. I've a library user for more than 50 years.	10/23/2022 10:51 AM
125	I appreciate everything that the library provides	10/23/2022 10:47 AM
126	Libraries are needed	10/23/2022 10:04 AM
127	Please add more books and audiobooks to Libby! It's essentially aggravating when I type in a title, and Libby acknowledges, it but it's not available. It's also annoying when only a few books in a series are available.	10/23/2022 9:05 AM
128	I love our county's library system! The amount of resources you make available to us is amazing! I have tremendously benefited and enjoyed visiting the libraries close to me. I welcomed twins into the world this year so my time is spread a bit thin, but I plan to regularly visit the library when they're older.	10/23/2022 4:27 AM
129	I wish there was a way to download mp3s for free or low cost for private, personal use (like you used to with freegle). I've heard some libraries have items like baking pans, though I don't know if that would be feasible. Might be nice to have a way for the community to borrow their 'neighbor's' pans somehow thru the library...*shrugs*	10/22/2022 10:22 PM
130	Staff were very helpful obtaining an inter-library loan for me.	10/22/2022 8:40 PM
131	I love the libraries. Thank you for all the services you provide.	10/22/2022 1:00 PM
132	Free holds is very happy making! Right now Crane and Soto are both closed, meaning both libraries in my reach by bike. I wish there could at least be a drop box I could use for returns without having to go downtown. Perhaps future construction planning could take proximity of location into consideration...I know many folks in my area are frustrated by this.	10/22/2022 10:29 AM
133	Peace and Love	10/22/2022 10:09 AM
134	I visit Eggertsville branch a lot. But, the library looks dirty. Could they possibly vacuum it more regularly?	10/22/2022 9:33 AM
135	I haven't been inside my library (Audubon) in quite sometime. It's easier to DL e books for me	10/22/2022 9:07 AM
136	I think the public library is an under-appreciated resource in our community and hope it continues to operate successfully into the future.	10/22/2022 8:59 AM

143	Promote use of volunteers in the library. Even to just keep those bulletin boards neat and current! Politicians vote on your budget- encourage them to come and speak about a book they have read or something related other than them talking about themselves & how supportive they are. Have a "political book club". like the best of each president/era in time ie: Depression/Vietnam--I guess I am thinking themes. Library Community Survey - fall 2022

162	I work in the film industry and being able to rent DVDs from the library has been amazing, as it's fairly difficult to find specific movies without having to pay to rent them for 48 hours on Amazon. It's saved me, my boyfriend, and my friends so much money, and we're able to watch the newest films on Blu-Ray! I keep telling all of my friends to get a library card and visit their local library and they are shocked when they hear there are new releases. It's so exciting and we make a weekly trip to get new DVDs!	10/21/2022 5:14 PM
163	When the world was shutdown with covid the BECPL stepped up to the plate and made books accessible in creative ways. During that time books kept me from thinking about the very sad state of affairs and with them I was able to visit new friends, go to news places, and learn new things. Making overdue books fine free and doing automatic renewals are just two more pluses for library users. Congratulations for all your efforts to make the libraries more accessible to everyone.	10/21/2022 5:04 PM
164	Thank you for all you do!	10/21/2022 5:03 PM

168	I check the library hours on Google Maps	10/21/2022 4:48 PM
169	I still like to borrow dvd's from the library. I'm glad they haven't gone completely digital. :)	10/21/2022 4:48 PM
170	Thank you for updating our libraries! I enjoy reading paper books for all ages but prefer obtaining information through technology!	10/21/2022 4:41 PM
171	excited to visit my local branch soon-- it's been a long pandemic (and it's still ongoing) but i feel I can visit if I mask up.	10/21/2022 4:27 PM

I do have a kindle and either get free books from Amazon and I do borrow kindle books from the library when you have what I want. I read over 100 books a year, it helps to get my mind off the pain. I don't know what I would do without reading!	10/21/2022 4:17 PM
