In our 2020 survey our patrons asked for:

1. More hours—

We have extended hours on both Mondays and Wednesdays.

2. Less books on the bottom shelf—

we have rearranged our shelving units to get more items off of the bottom shelves.

We will continue to work on this.

3. More historical books—

Efforts have been made to update our historical collection. We will continue this process through all sections of the library.

4. More adult and teen programs—

We have added a monthly take and make craft in 2021 that is for all ages, including adults, and we are hoping to book more programs in the future.

BOOKS ARE JUST THE BEGINNING

Many programs are offered at our library throughout the year.

There are preschool and special event programs for children.

We hosted a movie night here at the library in our back room, with a fun, free, new movie, and we look forward to resuming this program when we are able to.

For adults, we offer computer and informational programs through video calls, as well as the Liberwyrms Book Club which meets monthly.

Our little readers, getting ready to check out some new books!

Just a small portion of our new Children's Section graphics.

Highlights from our Halloween program! There were 5 stations for the children to stop at and do an activity.
