

HIGHLIGHTS OF 2022

- * Summer craft week was a huge hit! We had eight weeks of eight different crafts, set up outside for anyone to participate in. We had slime, ooblek, rock painting, and more. It was a lot of fun for all ages.
- * The Children's Area was given a makeover! The entire section was moved and updated. It looks amazing!
- * J.T.Waugh students created beautiful artwork, which was displayed here in the library for the children and their families to see and enjoy.
- * The library received three chromebooks and three internet hotspots that can be checked out on your library card, giving internet access to those who do not have it.
