

HIGHLIGHTS OF 2024

- * Enjoy the outdoors? You're in luck, because we added a bunch of new summer outdoor kits! We have a variety of options to check out with information, maps, and so much more.
- * Our local teens often struggle to find a place to hang out that is safe for them. We are happy to be that space. The library did some rearranging, and we dedicated a spot that is special for any teenagers who come to visit. We have phone chargers, comfy seating, and other items to help keep the teens engaged and interested.
- * Do you know how many writers are from Western New York? We thought that these authors should be recognized, and now have a dedicated space for our collection of Local Authors and Local Interest books.

Our library was officially chartered 100 years ago!

We are so unbelievably blessed to have spent 100 years as a public library.
