

LIBRARY INFORMATION

The Village of Angola provides the building for the library and also for the upkeep of the building and grounds. The County of Erie and the State of New York provide the main operating budget for the library. The Town of Evans, Town of Brant and Village of Farnham provide additional funds.

HIGHLIGHTS OF 2016

*The year 2016 brought major changes to our library. Mary Truby, long-time library manager, retired in March. We will still see her smiling face from time to time as a fill-in.

* Jennifer Page has taken the position. Jennifer began her library career here as a page and has worked at several other libraries in the system. We anticipate new and exciting changes to the library in the future.

*We replaced our aging laptops with new HP Pro Book models.

* Our library entrance doors were equipped with automatic openers to make access easier for people with mobility issues.

*Adult coloring has been added to our program schedule to offer a stress-free relaxing time for our adult patrons.
