All the Beauty in the World
by Patrick Bringley
Non-Fiction, c. 2023, 226 pgs., 9 Hardcover, Libby, You Tube 1 hour author series talk, 2 DVDs on the Met’s collection

A fascinating, revelatory portrait of the Metropolitan Museum of Art and its treasures by a former New Yorker staffer who spent a decade as a museum guard.

Millions of people climb the grand marble staircase to visit the Metropolitan Museum of Art every year. But only a select few have unrestricted access to every nook and cranny. They’re the guards who roam unobtrusively in dark blue suits, keeping a watchful eye on the two-million-square-foot treasure house. Caught up in his glamorous fledgling career at The New Yorker, Patrick Bringley never thought he’d be one of them. Then his older brother was diagnosed with fatal cancer, and he found himself needing to escape the mundane clamor of daily life. So he quit The New Yorker and sought solace in the most beautiful place he knew.

To his surprise and the listener’s delight, this temporary refuge becomes Bringley’s home away from home for a decade. We follow him as he guards delicate treasures from Egypt to Rome, strolls the labyrinths beneath the galleries, wears out nine pairs of company shoes, and marvels at the beautiful works in his care. Bringley enters the museum as a ghost, silent and almost invisible, but soon finds his voice and his tribe: the artworks and their creators and the lively subculture of museum guards—a gorgeous mosaic of artists, musicians, blue-collar stalwarts, immigrants, cutups, and dreamers. As his bonds with his colleagues and the art grow, he comes to understand how fortunate he is to be walled off in this little world and how much it resembles the best aspects of the larger world to which he gradually, gratefully returns.

All the Beauty in the World is a surprising, inspiring portrait of a great museum, its hidden treasures, and the people who make it tick, by one of its most intimate observers.

The Heart's Invisible Furies: A Novel

by John Boyne

Named Book of the Month Club's Book of the Year, 2017
Selected one of New York Times Readers' Favorite Books of 2017
Winner of the 2018 Goldsboro Books Glass Bell Award

From the beloved New York Times bestselling author of The Boy In the Striped Pajamas, a sweeping, heartfelt saga about the course of one man's life, beginning and ending in post-war Ireland.

Cyril Avery is not a real Avery -- or at least, that's what his adoptive parents tell him. And he never will be. But if he isn't a real Avery, then who is he?

Born out of wedlock to a teenage girl cast out from her rural Irish community and adopted by a well-to-do if eccentric Dublin couple via the intervention of a hunchbacked Redemptorist nun, Cyril is adrift in the world, anchored only tenuously by his heartfelt friendship with the infinitely more glamorous and dangerous Julian Woodbead. At the mercy of fortune and coincidence, he will spend a lifetime coming to know himself and where he came from - and over his many years, will struggle to discover an identity, a home, a country, and much more.

In this, Boyne's most transcendent work to date, we are shown the story of Ireland from the 1940s to today through the eyes of one ordinary man. The Heart's Invisible Furies is a novel to make you laugh and cry while reminding us all of the redemptive power of the human spirit.

Tom Lake:
A Reese's Book Club Pick
by Ann Patchett

#1 NEW YORK TIMES BESTSELLER • A REESE’S BOOK CLUB PICK

Fiction, August 2023, 309 pages, 61 Hardcover,
30 Large Print, 6 audio books, Libby, Hoopla

In this beautiful and moving novel about family, love, and growing up, Ann Patchett once again proves herself one of America’s finest writers.

“Patchett leads us to a truth that feels like life rather than literature.” —The Guardian

In the spring of 2020, Lara’s three daughters return to the family's orchard in Northern Michigan. While picking cherries, they beg their mother to tell them the story of Peter Duke, a famous actor with whom she shared both a stage and a romance years before at a theater company called Tom Lake. As Lara recalls the past, her daughters examine their own lives and relationship with their mother, and are forced to reconsider the world and everything they thought they knew.

Tom Lake is a meditation on youthful love, married love, and the lives parents have led before their children were born. Both hopeful and elegiac, it explores what it means to be happy even when the world is falling apart. As in all of her novels, Ann Patchett combines compelling narrative artistry with piercing insights into family dynamics. The result is a rich and luminous story, told with profound intelligence and emotional subtlety, that demonstrates once again why she is one of the most revered and acclaimed literary talents working today.

The Soul of an Octopus: A Surprising Exploration into the Wonder of Consciousness

by Sy Montgomery

Non-Fiction; April 2015, 261 pages, 13 Hardcover, Libby,

You Tube video 1 hour, Hoopla

#1 Best Seller in Marine Biology

“Sy Montgomery’s The Soul of an Octopus does for the creature what Helen Macdonald’s H Is for Hawk did for raptors.” —New Statesman, UK

“One of the best science books of the year.” —Science Friday, NPR

Another New York Times bestseller from the author of The Good Good Pig, this “fascinating…touching…informative…entertaining” (The Daily Beast) book explores the emotional and physical world of the octopus—a surprisingly complex, intelligent, and spirited creature—and the remarkable connections it makes with humans.

In pursuit of the wild, solitary, predatory octopus, popular naturalist Sy Montgomery has practiced true immersion journalism. From New England aquarium tanks to the reefs of French Polynesia and the Gulf of Mexico, she has befriended octopuses with strikingly different personalities—gentle Athena, assertive Octavia, curious Kali, and joyful Karma. Each creature shows her cleverness in myriad ways: escaping enclosures like an orangutan; jetting water to bounce balls; and endlessly tricking companions with multiple “sleights of hand” to get food.

Scientists have only recently accepted the intelligence of dogs, birds, and chimpanzees but now are watching octopuses solve problems and are trying to decipher the meaning of the animal’s color-changing techniques. With her “joyful passion for these intelligent and fascinating creatures” (Library Journal Editors’ Spring Pick), Montgomery chronicles the growing appreciation of this mollusk as she tells a unique love story. By turns funny, entertaining, touching, and profound, The Soul of an Octopus reveals what octopuses can teach us about the meeting of two very different minds.

The Boys in the Boat: Nine Americans and Their Epic Quest for Gold at the 1936 Berlin Olympics

by Daniel James Brown

Non-Fiction, 404 pages, 44 HC, 8 audio books, 2 large print, 15 YA, Book-Club-in-a-Bag, Libby, clips on YouTube, Hoopla

Soon to be a major motion picture directed by George Clooney

The #1 New York Times–bestselling story about the American Olympic rowing triumph in Nazi Germany—from the author of Facing the Mountain.

For readers of Unbroken, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant.

It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington’s eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys’ own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man’s personal quest.
