6) Town of Amherst Council Member’s Report
Ms. Bucki presented hand-outs to all present regarding the resolution for the Parking Lot Task Force in the Village of Williamsville. Ms. Butler-Smith will be part of the task force as it concerns the Williamsville Library. A meeting of the task force will be set up after June 12 by Ms. Bucki.

Mr. Voekl suggested “Health Awareness” for Town employees as a method of alleviating parking concerns. Encourage employees to walk, use stairs and park farther from Town Hall to open parking spots for Town residents using Town Hall to pay taxes, etc.

Ms. Bucki spoke about the Diversity Task Force which she chairs. Mary Lou Kinyon, Audubon Library Manager attended the meeting. Ms. Butler-Smith suggested using display boards at the Amherst libraries to promote diversity. She also suggested using Amherst Library community rooms for lectures. Ms. Butler-Smith suggested a “Bread Book” program (food as a tool for diversity) to be further discussed as a joint program between the Town and the Amherst Library.
7) Director's Report

A.) Upcoming vacation
While Ms. Butler-Smith is on vacation for 2 weeks Peter Arnold (Library Manager at Clearfield Branch) will be in charge for the first week. Mary Lou Kinyon (Library Manager at Audubon Branch) will be in charge the second week.

B.) Civil Service Exam
Ms. Butler-Smith mentioned that there are potential problems with the recent civil service exams given by the County and taken by several of her current employees. The Sr. Library Clerk exam and the Library Associate exam were exactly the same. It has never been given like that before-always was a separate exam since the two job titles are different pay scales and responsibilities. Possibly one grievance has already been filed. New York State forced Erie County to give the same exam. Also Librarian 1 and 2 civil service exams will be given in July and only offered every 4 years. Ms. Butler-Smith mentioned there were concerns about hiring a Librarian provisionally that can’t take the exam for 4 years. State weighs the Librarian test scores equally across the state starting with this summer's new tests. Many of Amherst's Staff are preparing for these exams.

8) Trustee's Report
None

9) Finances

Ms. Butler-Smith also discussed a last minute item not on the agenda but needed review by the Board. Ms Butler-Smith had made several large orders for supplies for the Summer programs and the Reading program at all 4 libraries. She assured the Board that these incentives were needed to keep the programs attendance at high levels and encourage circulation at our 4 libraries. Ms. Butler-Smith will email all Board members when the actual bills come due.

B) **Petty Cash**

Ms. Butler-Smith asked for an increase in the amount of cash held as Petty Cash held at Audubon Library only due to the number of large bills patrons give us. Ms. Butler-Smith feels it is important to be able to take fine money at all times and to avoid possibly sending patrons home to charge online. Ms. Butler-Smith explained to disadvantage our Libraries of not having enough change.
