I. SCOPE
This investment policy applies to all moneys and other financial resources available for deposit and investment by the Boston Free Library, hereafter referred to as Library, on its own behalf or on behalf of any other entity or individual.

II. OBJECTIVES
The primary objectives of the Library’s investment activities are, in priority order:
• To conform with all applicable federal, State and other legal requirements (legality);
• To adequately safeguard principal (safety);
• To provide sufficient liquidity to meet all operating requirements (liquidity) and
• To obtain a reasonable rate of return (yield).

III. DELEGATION OF AUTHORITY
The Library board’s responsibility for administration of the investment program is delegated to the treasurer who shall establish written procedures for the operation of the investment program consistent with these investment policies. Such procedures shall include internal controls to provide a satisfactory level of accountability based upon records incorporating the description and amounts of investments, the fund(s) for which they are held, the place(s) where kept, and other relevant information, including dates of sale or other dispositions and amounts realized. In addition, the internal control procedures shall describe the responsibilities and levels of authority for key individuals involved in the investment program.

IV. PRUDENCE
All participants in the investment process shall seek to act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence in the Library to operate effectively.

Investments shall be made with prudence, diligence, skill, judgment and care, under circumstances then prevailing, which knowledgeable and prudent persons acting in like capacity would use, not for speculation, but for investment, considering the safety of the principal as well as the probable income to be derived.

All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program or which could impair their ability to make impartial investment decisions.
V. DIVERSIFICATION  
It is the policy of the Library to diversify its deposits and investments by financial institution, by investment instrument, and by maturity scheduling.

The Library board shall establish appropriate limits for the amount of investments which can be made with each financial institution or dealer, and shall evaluate this listing at least annually.

VI. INTERNAL CONTROLS  
It is the policy of the Library for all moneys collected by any officer or employee of the Library to transfer those funds to the treasurer within 7 days of deposit, or within the time period specified in law, whichever is shorter.

The treasurer is responsible for establishing and maintaining internal control procedures to provide reasonable, but not absolute, assurance that deposits and investments are safeguarded against loss from unauthorized use or disposition, that transactions are executed in accordance with management’s authorization, properly recorded, and managed in compliance with applicable laws and regulations.

VII. DESIGNATION OF DEPOSITARIES  
The banks and trust companies that are authorized for the deposit of moneys, and the maximum amount which may be kept on deposit at any time, are:

<table>
<thead>
<tr>
<th>Depositary Name</th>
<th>Maximum Amount</th>
<th>Officer</th>
</tr>
</thead>
<tbody>
<tr>
<td>Evans Bank</td>
<td>100%</td>
<td>Treasurer</td>
</tr>
</tbody>
</table>

VIII. SECURING DEPOSITS AND INVESTMENTS  

All deposits and investments at a bank or trust company, including all demand deposits, certificates of deposit and special time deposits (hereinafter, collectively, “deposits”) made by officers of the Library that are in excess of the amount insured under the provisions of the Federal Deposit Insurance Act, including pursuant to a Deposit Placement Program in accordance with law, shall be secured by:

A pledge of “eligible securities” with an aggregate “market value” (as provided by the GML Section 10) that is at least equal to the aggregate amount of deposits by the officers. See Schedule A of this policy for a listing of “eligible securities.”
IX. COLLATERALIZATION AND SAFEKEEPING

Eligible securities used for collateralizing deposits made by officers of the Library shall be held by (the depositary or a third party) bank or trust company subject to security and custodial agreements.

The security agreement shall provide that eligible securities (or the pro rata portion of a pool of eligible securities) are being pledged to secure such deposits together with agreed-upon interest, if any, and any costs or expenses arising out of the collection of such deposits upon a default. It shall also provide the conditions under which the securities (or pro rata portion of a pool of eligible securities) held may be sold, presented for payment, substituted or released and the events of default which will enable the Library to exercise its rights against the pledged securities.

In the event that the pledged securities are not registered or inscribed in the name of the Library, such securities shall be delivered in a form suitable for transfer or with an assignment in blank to the Library or the custodial bank or trust company. Whenever eligible securities delivered to the custodial bank or trust company are transferred by entries on the books of a federal reserve bank or other book-entry system operated by a federally regulated entity without physical delivery of the evidence of the obligations, then the records of the custodial bank or trust company shall be required to show, at all times, the interest of the Library in the securities (or the pro rata portion of a pool of eligible securities) as set forth in the security agreement.

The custodial agreement shall provide that pledged securities (or the pro rata portion of a pool of eligible securities) will be held by the custodial bank or trust company as agent of, and custodian for, the Library, will be kept separate and apart from the general assets of the custodial bank or trust company and will not be commingled with or become part of the backing of any other deposit or other bank liability. The agreement shall also describe how the custodian shall confirm the receipt, substitution or release of the collateral and it shall provide for the frequency of revaluation of collateral by the custodial bank or trust company and for the substitution of collateral when a change in the rating of a security causes ineligibility. The security and custodial agreements shall also include all other provisions necessary to provide the Library with a perfected security interest in the eligible securities and to otherwise secure the Library’s interest in the collateral, and may contain other provisions that the Library board deems necessary.

X. PERMITTED INVESTMENTS

As provided by General Municipal Law Section 11, the Library Board of Trustees authorizes the treasurer to invest moneys not required for immediate expenditure for terms not to exceed its projected cash flow needs in the following types of investments:

• Special time deposit accounts in, or certificates of deposit issued by, a bank or trust company located and authorized to do business in the State of New York.

All investment obligations shall be payable or redeemable at the option of the Library within such times as the proceeds will be needed to meet expenditures for purposes for which the moneys were provided and, in the case of obligations purchased with the proceeds of bonds or notes, shall be payable or redeemable in any event at the option of the Library within two years of the
date of purchase. Time deposit accounts and certificates of deposit shall be payable within such
times as the proceeds will be needed to meet expenditures for which the moneys were obtained,
and shall be secured as provided in Sections VIII and IX herein.

Except as may otherwise be provided in a contract with bondholders or note holders, any moneys of
the Library authorized to be invested may be commingled for investment purposes, provided that any
investment of commingled moneys shall be payable or redeemable at the option of the Library within
such time as the proceeds shall be needed to meet expenditures for which such moneys were
obtained, or as otherwise specifically provided in General Municipal Law Section 11. The separate
identity of the sources of these funds shall be maintained at all times and income received shall be
credited on a pro rata basis to the fund or account from which the moneys were invested.

Any obligation that provides for the adjustment of its interest rate on set dates is deemed to be
payable or redeemable on the date on which the principal amount can be recovered through
demand by the holder.

XI. AUTHORIZED FINANCIAL INSTITUTIONS AND DEALERS

All financial institutions and dealers with which the Library transacts business shall be
creditworthy, and have an appropriate level of experience, capitalization, size and other factors
that make the financial institution or the dealer capable and qualified to transact business with the
Library. The treasurer shall evaluate the financial position and maintain a listing of proposed
depositories, trading partners, and custodians. Recent Reports of Condition and Income (call
reports) shall be obtained for proposed banks, and security dealers that are not affiliated with a
bank shall be required to be classified as reporting dealers affiliated with the New York Federal
Reserve Bank, as primary dealers.

The Library shall maintain a list of financial institutions and dealers approved for investment
purposes and establish appropriate limits to the amounts of investments that can be made with
each financial institution or dealer.

XII.PURCHASE OF INVESTMENTS

The treasurer is authorized to contract for the purchase of investments:

1. Directly, from an authorized trading partner

2. By participation in a cooperative investment agreement with other authorized municipal
corporations pursuant to Article 5-G of the General Municipal Law and in accordance with
Article 3-A of the General Municipal Law.

All purchased obligations, unless registered or inscribed in the name of the Library, shall be
purchased through, delivered to and held in the custody of a bank or trust company. Such
obligations shall be purchased, sold or presented for redemption or payment by such bank or trust
company only in accordance with prior written authorization from the officer authorized to make
the investment. All such transactions shall be confirmed in writing to the Library by the bank or
trust company.

Any obligation held in the custody of a bank or trust company shall be held pursuant to a written custodial agreement as described in General Municipal Law Section 10(3)(a). The agreement shall provide that securities held by the bank or trust company, as agent of, and custodian for, the Library, will be kept separate and apart from the general assets of the custodial bank or trust company and will not be commingled with or become part of the backing of any other deposit or other bank liability. The agreement shall also describe how the custodian shall confirm the receipt and release of the securities. Such agreement shall include all provisions necessary to secure the Library’s perfected interest in the securities, and the agreement may also contain other provisions that the Library board deems necessary. The security and custodial agreements shall also include all other provisions necessary to provide the Library with a perfected interest in the securities.

The treasurer, where authorized, can direct the bank or trust company to register and hold the evidences of investments in the name of its nominee, or may deposit or authorize the bank or trust company to deposit, or arrange for the deposit of any such evidences of investments with a federal reserve bank or other book-entry transfer system operated by a federally regulated entity. The records of the bank or trust company shall show, at all times, the ownership of such evidences of investments, and they shall be, when held in the possession of the bank or trust company, at all times, kept separate from the assets of the bank or trust company. All evidences of investments delivered to a bank or trust company shall be held by the bank or trust company pursuant to a written custodial agreement as set forth in General Municipal Law Section 10(3)(a), and as described earlier in this section. When any such evidences of investments are so registered in the name of a nominee, the bank or trust company shall be absolutely liable for any loss occasioned by the acts of such nominee with respect to such evidences of investments.

XIII. COURIER SERVICE

The treasurer may, subject to the approval of the Library board by resolution, enter into a contract with a courier service for the purpose of causing the deposit of public funds with a bank or trust company. The courier service shall be required to obtain a surety bond for the full amount entrusted to the courier, payable to the Library and executed by an insurance company authorized to do business in the State of New York, with a claims-paying ability that is rated in the highest rating category by at least two nationally recognized statistical rating organizations, to insure against any loss of public deposits entrusted to the courier service for deposit or failure to deposit the full amount entrusted to the courier service.

The Library may agree with the depository bank or trust company that the bank or trust company will reimburse all or part of, but not more than, the actual cost incurred by the Library in transporting items for deposit through a courier service. Any such reimbursement agreement shall apply only to a specified deposit transaction, and may be subject to such terms, conditions and limitations as the bank or trust company deems necessary to ensure sound banking practices, including, but not limited to, any terms, conditions or limitations that may be required by the Department of Financial Services or other federal or State authority.
XIV. PRIOR RESOLUTIONS RECINDED, ANNUAL REVIEW, AND AMENDMENTS

This policy replaces any and all prior policies or resolutions with respect to moneys and other financial resources available for deposit and investment by the Boston Free Library. The Boston Free Library shall review this investment policy annually, and it shall have the power to amend this policy at any time.

XV. DEFINITIONS

The terms “public funds,” “public deposits,” “bank,” “trust company,” “eligible securities,” “eligible surety bond,” and “eligible letter of credit” shall have the same meanings as set forth in General Municipal Law Section 1.
