APRIL

MAKERY

This is a maker-focused program with a new project each month.

At 4:30 pm on Wednesday, April 15, 2026.

Registration begins April 1.

Everyone over the age of six (to 100+) is welcome.

Register online or by phone at 716-741-2650.

The program will offer the supplies and support to make an authentic creation. In March, we are painting floral plaster molds and making diamond butterfly stakes.
