

D D DAY

1944-2024

On June 6, 1944, Allied forces launched Operation Overlord—the codename for the massive Allied invasion of Normandy, France—with more than 150,000 troops. Ending with approximately 20,000 casualties on both sides, those who took part witnessed one of the most pivotal battles against Axis forces and the beginning of a prolonged, costly, and ultimately successful campaign to liberate northwest Europe.
