Introduction to Longevity

Although there have been many recent breakthroughs in medicine which could potentially enhance our health and extend our lifespans, there are numerous challenges that threaten our health such as the proliferation of fast food, pollution, an increasingly isolated population, and disinformation. This talk aims to explain what longevity is, review the challenges to health, and lay out a practical, evidence-based approach for optimizing healthspan and lifespan.

Thursday, February 5th at 6:30 PM.

Registration begins January 23.

Call 716-741-2650 reserve your spot.

Lincoln in Buffalo & Western New York

Join author, Explore Buffalo Master Docent and Buffalo Presidential Center Trustee, John Fagant, as he presents on his work, "The Best of the Bargain: Lincoln in Western New York." This talk will discuss Lincoln's visits to the region in 1848, 1857, and 1865, with a focus on the 1861 Inaugural Train. Tuesday, February 10 at 7:00 pm
Registration begins January 27.
