JANUARY MAKERY

This is a maker-focused program
with a new project each month.

At 4:30 PM on Wednesday, January 14, 2026.

Registration begins December 29.

Everyone over the age of six (to 100+) is welcome.

Register online or by phone at 716-741-2650.

The program will offer the supplies and support to make an
authentic creation. In January, we are making winter
