# MARCH

# MAKERY

This is a maker-focused program  
with a new project each month.

At 4:30 pm on Wednesday, March 11, 2026.

Registration begins February 25.

Everyone over the age of six (to 100+) is welcome.

Register online or by phone at 716-741-2650.

The program will offer the supplies and support to make an  
authentic creation. In March, we are painting wooden laser-cut  
St. Patrick's Day decorations.
