Master Gardener Program Series Spring 2025

Sustainable Gardening

Tuesday, April 22, 2025, at 6:30 PM

Presenter: Lyn Chimera

Earth Day is the perfect day to learn about how to support nature through gardening. You will learn easy methods to help pollinators, birds, nature and improve your gardening.

Bee Keeping

Thursday, May 22, 2025, at 6:30 PM

Presenter: Carol Ann Harlos

Have you ever wondered why some people keep bees? Do you know where the phrase "queen bee" came from? Why do honeybees make honey? What do honeybees do in the winter? Come to this talk and get these and other questions you may have about honeybees answered!

Pollinators and Native Plants

Thursday, June 12, 2025, at 6:30 PM

Presenter: Paula Malesa

Pollinators and Native Plants are two of the most popular gardening topics of the day. There is a tremendous synergy between the two topics. If you want to learn more, come to this presentation! Pollinators: what and who they are and what is a true Native Western New York plant.

Call the Clarence Public Library at 716-741-2650 to register.

"Thank you to the Garden Friends of Clarence for supporting these programs."
