MAY

MAKERY

This is a maker-focused program with a new project each month.

At 4:30 pm on Wednesday, May 13, 2026 at 4:30 PM.

Registration begins April 29.

Everyone over the age of six (to 100+) is welcome.

Register online or by phone at 716-741-2650.

The program will offer the supplies and support to make an authentic creation. In May we will be making suncatchers with beads, sequin and glue molds.
