

Town of Collins Public Library Board of Trustees – Safety Committee Meeting

Minutes: Tuesday, January 26, 2021 @ 6 pm

Via GoToMeeting: Present: President Holly Martindale, Director Abbie Barten-McGowan, Trustee Rob Gaylord

1. Called to Order at: 6:05 pm

2. Updates

- Metrics: Numbers are lowering. Going in right direction. Remain open another week and watch it. As long as there is no spike next week, we don't need to go to curbside.
- Fogger: The Town offered use of the fogger they purchased. Abbie reached out to Jim Hotnich (contact on Town Board) for more information, but didn't hear back yet.

Abbie noted that widespread use of fogging was not suggested, particularly near materials and computers. Abbie thought that the meeting room between programs would be a good use of this. The committee discussed what areas could be done without damage, and what would need to be done. Abbie would need to supervise the person performing the fogging to make sure things wouldn't be damaged. More information is needed.

Next meeting will be next Tuesday 2/9 at 6 pm.

3. Meeting adjourned at 6:20 pm.

Respectfully submitted, Abigail Barten-McGowan, Director
