5. Executive Report
   - **Staffing:** We promoted Katelynn Langhans from PT Page to PT Senior Page as of 6/19/2021. Katelynn started another job, and has limited availability since 7/8/2021. We hired Marla Reighard as our new PT Page as of 6/19/2021. We have hired Leslie Carr as PT Sr. Page as of 7/3/2021, with plans to promote her to PT Library Tech Clerk once she has the required experience to qualify for the position.
   - **Mary Jean Jakubowski has retired as System Director.** While the System looks for her replacement, Jeannine Doyle is acting as Interim Director.
   - **COVID-19:** The library is in Stage IV of our reopening plan. As of 6/19, NYS has reopened offices to 100% capacity, as long as social distancing and mask wearing are maintained. Out of an abundance of caution and due to the extremely low vaccination rates in our community at this time, we plan to maintain the mask requirement in the library, to help protect the most vulnerable patrons. We await more guidance from the state and system. As of 6/24/2021 the Governor’s State of Emergency ended. Town of Collis library maintained the mask requirement due to the low vaccination rate in the Town. This was okayed by the Library System, and is reviewed every 2 weeks by our Safety Committee. On 7/30/21 mask requirement was reinstated for Erie County buildings, including the libraries.
• **Programs:** Our popular Take & Make kids’ crafts continue. We have started some Kids in-person summer reading programs, outside whenever possible. YA and Adult evening book clubs continue. We have started a program with free Spider Plants. Katelynn Langhans put together a Mystery Quilt Along program that began 7/3, something new that staff are really excited about!

• **Wi-Fi Use:** June 206; July 207

• **Sports Share – Play Down Your Fines:** As of 7/26 two families took out sports equipment; and no children cleared their accounts of fines.

• **Mobile Printing:** Patrons will soon be able to send print jobs from their own devices through a mobile print program put in place by the Library System. This amazing piece of technology is something many patrons have been asking for, and we’re excited to finally bring it to them!

• **Building Maintenance:**
  - Roof updates: The roof is still leaking, and Director Barten is working on the Library Construction Grant. The director will probably call a meeting to approve the details of the grant before the due date of 9/2/2021.
  - LED lighting upgrade: Director Barten displayed several pictures of possible replacement lamps, each with a different total cost. Rob Gaylord moved and Dave Williams seconded a motion to approve the purchase of the mid-priced lights fixtures with an approximate cost of $50,000. The motion carried unanimously.
  - Doug Martindale has announced his plans to retire from Town of Collins Maintenance. The entire Board expressed regret, and it was suggested that we as a Board offer some sort of recognition for his long service to the town. A gift card from “Peace of the Pie” was the consensus decision.

• **Updated Library Standards:** The director reminded the Board that these go into effect by the end of the year, and the last big thing we need in place is the long range plan.

Becky Jo Summers moved and Barb Ferro seconded a motion to accept the Executive report as given. The motion carried unanimously.

6. **Committee Reports:**

• **Safety Committee** – Plans continue to be reviewed every two weeks by committee or when there are changes.
• **Finance Committee** – The director emailed the proposed Staffing budget from the System to committee members, and they agreed that since there was no change from 2021, the committee did not need to meet didn’t need to meet.

7. **Unfinished Business:**

• Trustee Term reset: The director clarified for all Board members that the new term years we drew straws for are just for the reset, and future terms will be back to 5-year terms. She also reminded anyone who hasn’t gone to sign the Oath of Office book to do so as soon as possible.

8. **New Business:**

• Conflict of Interest forms – printed and distributed at the beginning of the meeting.
• Contract Approval and resolution- Holly signed the document. *Note: a motion and second were forgotten, so this will be redone at the next meeting.*

The Contract was sent out for review 7/27/2021.
