Such disclosure may be made in a written statement or orally at a meeting of the Board, provided that such oral disclosure must be documented in the minutes of the meeting at which such disclosure is made and given to the Governance Committee for review in accordance with Article IV, Section 4.2.

Section 4.1. General Prohibitions.

(A) An Interested Person is precluded from being present at or participating in any Board or committee deliberation or vote related to the transaction or arrangement giving rise to a Conflict of Interest or Related Party Transaction. Notwithstanding the foregoing, the Board of Trustees or the Governance Committee, may request that an Interested Person present information to the Board or Governance Committee prior to the commencement of deliberations or voting relating thereto.

Section 4.2. Determining Whether a Conflict of Interest or Related Party Transaction Exists.

(A) After the Interested Person's disclosure of the existence of and all material facts relating to their Financial Interest as required under Article III, and after any discussion among the remaining members of the Board of Trustees or the Governance Committee and the Interested Person regarding the facts and circumstances of the Financial Interest, the Governance Committee shall discuss and make a recommendation to the Board as to each of the determinations required by Paragraphs (C) and (D) of this Section 4.2. Alternatively, if the existence of the Financial Interest initially arises at a meeting of the Board of Trustees, then the Board of Trustees can directly make the determinations required without seeking recommendations from the Governance Committee, provided the Interested Person leaves the meeting while the remaining members of the Board of Trustees discusses the information disclosed.

(B) Upon due discussion and consideration of the Governance Committee recommendations, the Board shall make each of the determinations required by Paragraphs (C) and (D) of this Section 4.2.

(C) Upon discussion, the remaining Board members shall decide and document in the meeting minutes if the transaction or arrangement constitutes a Related Party Transaction as defined in Article II, Section 2.9. If so, then the Board of Trustees must also determine and document in the meeting minutes whether the Related Party has a

Substantial Financial Interest, as defined in Article II, Section 2.5, in the proposed Related Party Transaction. Regardless of whether or not the Financial Interest is a Substantial Financial Interest, a Related Party Transaction is subject to the procedures set forth in Article V.

(D) If the transaction or arrangement does not constitute a Related Party Transaction as defined in Article II, Section 2.9, then the remaining Board members in their discretion shall decide if a Conflict of Interest, as defined in Article II, Section 2.10, exists nonetheless, after giving due consideration to the material facts and circumstances presented. If the Board determines that the transaction or arrangement involves a Conflict of Interest, then such transaction or arrangement is subject to the procedures set forth in Article V.

ARTICLE V Procedures for Addressing Conflicts of Interest & Related Party Transactions.

Section 5.1. Consideration of Alternatives.

(A) If the transaction or arrangement is a Related Party Transaction in which the Related Party has a Substantial Financial Interest, then consideration of alternatives in accordance with this section is mandatory. For Conflicts of Interest, consideration of alternatives is within the discretion of the Board of Trustees. After disclosure and discussions with the Interested Person, the Board of Trustees may appoint a Disinterested Trustee or committee of Disinterested Trustees to investigate alternatives to the proposed transaction or arrangement. Alternatives must be presented to the Board of Trustees and must be documented in the minutes of the meeting at which the determination is made.

(B) If alternatives are investigated and presented to the Board, then after exercising due diligence and giving due consideration for any such alternative transactions presented, the Board of Trustees shall determine whether the Library can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a Conflict of Interest or Related Party Transaction.

Section 5.2. Board Decision.

(A) If alternatives are considered, whether mandatory or discretionary, and if the Board of Trustees determines that a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a Conflict of Interest or Related Party Transaction, the Board of Trustees shall determine by a majority vote of the Board whether the transaction or arrangement is in the Library's best interest, for the Library's own benefit, and whether it is fair and reasonable.

(B) In conformity with the above determination, in accordance with the Library's bylaws, the Board of Trustees shall make its decision as to whether to enter into the transaction or arrangement.

(C) If the transaction or arrangement involves a Related Party Transaction in which the Related Party has a Substantial Financial Interest, then a majority of the Board members present at the meeting is required to approve such transaction.

Section 5.3. Documentation Required. In connection with all actual or possible Conflicts of Interest and Related Party Transactions, the Board of Trustees shall document in the minutes of the meeting at which such determinations are made the following:

(A) The names of the persons who disclosed or otherwise were found to have a Financial Interest in connection with an actual or possible Conflict of Interest or Related Party Transaction, the nature of the Financial Interest, any action taken to determine whether a Conflict of Interest or Related Party Transaction was present, and the Board's decision as to whether a Conflict of Interest, Related Party Transaction, or Substantial Financial Interest in a Related Party Transaction in fact existed.

(B) The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussions at the meeting regarding the proposed transaction or arrangement, including the alternatives to the proposed transaction or arrangement considered, if any.

(C) The determination as to whether the transaction or arrangement is fair, reasonable and in the Library's best interest.

(D) The determination as to whether to enter into the transaction or arrangement which gives rise to the Conflict of Interest or Related Party Transaction. If the Board of Trustees approves a Related Party Transaction in which the Related Party has a Substantial Financial Interest, then the minutes must also including the basis for such approval.

(E) A record of any votes taken in connection with the proceedings.

ARTICLE VI Oversight & Reviews

Section 6.1. Oversight Responsibility. The designated Governance Committee of the Board, as defined in the Library's bylaws, shall oversee the adoption of, implementation of, and compliance with this Conflict of Interest policy in accordance with the procedures contained herein and within the process and authority granted under the Bylaws.

Section 6.2. Violation of the Conflict of Interest Policy.

(A) If the Governance Committee has reasonable cause to believe a trustee, officer or Key Person has failed to disclose an actual or possible Conflict of Interest or Related Party Transaction, it shall inform such person of the basis for such belief and afford such person an opportunity to explain the alleged failure to disclose.

(B) If, after hearing the response of the trustee, officer or Key Person and after making further investigation as warranted by the circumstances, the Governance Committee determines that the trustee, officer or Key Person has failed to disclose an actual or possible Conflict of Interest or Related Party Transaction, it shall recommend to the Board appropriate disciplinary and corrective action, up to and including dismissal or termination, and referral to the New York State Board of Regents for possible removal of a trustee, pursuant to New York State Education Law Section 226.

Section 6.3. Periodic Reviews. To ensure the Library operates in a manner consistent with its charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, the Board shall conduct periodic reviews. The periodic reviews shall, at a minimum, include the following subjects:

(A) Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.

(B) Whether partnerships, joint ventures, and arrangements with management organizations conform to the Library's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in impermissible or excessive benefit.

Section 6.4. Use of Outside Experts. When conducting the periodic reviews as provided for in Article VI, Section 6.3, the Library may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the Board of Trustees of its responsibility for ensuring periodic reviews are conducted.
