The Friends of the Collins Public Library is a group whose goal is to help the library provide quality services and programs which otherwise might be beyond the annual library budget.

We regularly help with running the book sale and holding an annual basket raffle to benefit the library. We have provided funds for furniture, programs, and concerts.

We are always seeking enthusiastic volunteers to donate time or help with our bake sale or book sales.

Thank you in advance for an help you can provide to your local public library.
