## Special Programs

All library programs are free & open to everyone!

### The Yoga Lifestyle with Maria from LifePath Yoga Wednesday, October 5th 2:00pm / Bring a mat!

A discussion and practice on the foundations of yoga. Registration Required— bring your own mat. More sessions to come on November 5th and December 7th.

### Concord Public Library's Book Discussion Group Friday, October 21st 1:30 pm

*Imagine Me Gone* by Adam Haslett:

When Margaret's fiancé, John, is hospitalized for depression, she faces a choice: carry on with their plans, or back away from the suffering it may bring her. She decides to marry him. What follows is the unforgettable story of what unfolds from this act of love and faith. At the heart of it is their eldest son, Michael, a brilliant, anxious music fanatic, and the story of how, over the span of decades, his younger siblings—the responsible Celia and the tightly controlled Alec—struggle along with their mother to care for Michael's increasingly troubled existence.

## Special Programs Continued

All library programs are free & open to everyone!

### Drop-in Genealogy: Saturday, October 22nd 1-3 pm

This drop-in program is for those interested in getting started with researching their family history or just need a refresher. Lou Omel, a genealogist will be here to answer questions and help you use the library's databases including Ancestry Library Edition, Heritage Quest and other online resources.

### Tech Training: Free Alternatives: From Office to Streaming Friday, October 28th 1:30 pm

This class will show you some of the free alternatives to popular services such as Netflix, Microsoft Office, various antivirus programs, and more that are available to you either online or through the library. Basic computer and mouse skills recommended. Registration required—call 716-592-7742 or stop in to reserve your seat. Free and open to everyone!

### Kids Program: Creepy Crawlies presented by Earth Spirit Educational Service Saturday, October 29th 1 pm

Come learn about some of the animals that help make the Halloween season so creepy! Are insects, spiders, and snakes really so scary? Or are they simply misunderstood? This will be an interactive program with live animals. The exact animals brought may change, although the general focus will be on those animals that people often find "creepy". Registration required—call 716-592-7742 or stop in to reserve your spot.
