

WHAT IS THE SEED LIBRARY?

A seed library is exactly what its name implies: a place where gardeners of all experience levels can check out seeds to grow.

The seed library offers free seeds and resources for planting, growing, harvesting, and seed saving.

HOW DOES THE SEED LIBRARY WORK?

Choose only what you can use

Limit to 5 seed packets per person

Write down what you are taking on the clipboard

Availability and selection of seeds will change

Seed packs have no due date; patrons may keep the seeds and are not required to return anything to the library.

Our Seed Library offers a diverse selection of seeds, including:

Vegetables: tomatoes, peppers, lettuce, carrots, beans, squash, and more.

Herbs: basil, parsley, cilantro, mint, dill, and others.

Flowers: sunflowers, marigolds, cosmos, zinnias, and many more.

DONATIONS

Donations accepted from preselected seed companies which have been approved by the library.

Preference will be given to acquiring heirloom or organic seed varieties to engender a more robust and diverse garden.

Thanks

We are grateful to the following seed companies who have all donated seeds to help make our seed library possible!.
