

Something Profound for Give 716

NOW through Thursday, July 16, you can take part in a day of community giving, hosted by the Buffalo Bills Foundation and Buffalo Sabres Foundation.

Donate during designated **Power Hours** and you could walk away with autographed Bills and Sabres gear, game tickets, and exclusive Give 716 merch (***see below!***)

[Choosing Buffalo & Erie County Public Library for Give 716](#) means investing in one of Western New York's oldest and most trusted public institutions: a place that serves more than 2 million neighbors each year with free access to books, technology, and opportunity.

- Your gift provides reading materials for patrons across 37 Buffalo & Erie County Public Library locations – from Buffalo to Boston, Alden to Amherst, Concord to Cheektowaga.
- At a time when information is behind paywalls or influenced by algorithms, the Library is a force for free and open access. Every dollar counts!

Better yet, give during a matching hour and sponsors will double your donation - so every dollar goes twice as far for the Library. Donations

are tax-deductible.
