

A MESSAGE FROM BUFFALO & ERIE COUNTY PUBLIC LIBRARY SYSTEM DIRECTOR MARY JEAN JAKUBOWSKI

December 23, 2020

Greetings!

On behalf of library employees and trustees, I want to thank you very much for your support during this very challenging and unusual year. It is our hope that you and your family are healthy and able to take advantage of some of the wonderful library services we are providing online, virtually, at curbside or in person.

As we move into the New Year, I want you to know that libraries remain committed to offering free and equal access to cultural, intellectual, recreational and informational resources to Erie County residents in a safe manner.

I am pleased to report that beginning Monday, December 28, the downtown Central Library will reopen to the public at 9:00 a.m. with social distancing and proper mask wearing required at all times by both the public and employees. Please visit the Library System website for up-to-date service information on all 37 Buffalo & Erie County Public Libraries at: <https://buffalolib.libcal.com/>. Please contact us with questions at 716-858-8900.

I hope your holiday season is filled with much warmth and joy. Happy New Year to all! We look forward to seeing you again!

Sincerely,

Mary Jean
