

# Knowledge to take on the day.

## Advance Care Planning

**It's Never Too Early...**

Advance care planning involves making future health care decisions and sharing your wishes with loved ones and health care providers. These conversations are vital, regardless of age and health care status. Relieve others of the burden of making challenging decisions in crisis.

**Sharing health care preferences is more than outlining a plan—  
consider it a roadmap to peace of mind. Join us to learn more.**

**Date:** Thursday, April 9

**Time:** 6:00PM- 7:00PM

**Location:** Aurora Town Public Library  
at 550 Main Street, East Aurora, NY 14052
