designing library programs?***

We are looking for teen volunteers ages 13 - 18 to help us create a brand new library program for January 2027!

»»» What kinds of help are we looking for?

Leaders...

Help make sure the team's vision happens! They run meetings, keep everyone updated, and track progress towards our goals.

Planners...

Document the team's needs to create a budget and timeline that will help the project get to the finish line. They also get to do the shopping.

Creatives...

Design incredible flyers and prints using the library's Canva Pro account to help us reach out to as many people as possible.
