

Friends of Eden Library proudly present

Hawk Creek Wildlife Center's *Animal Adaptations*

Note: Animals featured may differ from animals pictured here.

Whether it's super-strong feet, acute hearing ability or built-in body armor, animals have amazingly adapted to their environments in order to thrive and grow.

Meet some special animal ambassadors with unique "talents",
see touchable animal artifacts and
learn more about the wonderful world around us!

***Seating is limited. Registration is required.
Please call or visit the library to save your spot today.***
