

The Elma Public Library has been busy this year—both in our public facing areas and behind the scenes. From weekly Family Story Times to Mocktail Craft Nights, we are providing quality programming to our community all year long. We bought a new table and chairs for our teen area, new toys and a light table for the picture book room, and started accepting donations through an Amazon Wish List. We worked behind the scenes to revamp our donation policy to make your shopping experience better, as well as fixing plumbing issues and reorganizing our Library of Things to make them more user-friendly and accessible.

In 2025 we pursued outreach opportunities at local daycares, Elma Primary School, the EMW Boys & Girls Club, and the Elma Fire Department. We are always looking for new outreach opportunities and welcome suggestions for future events. If there is anything we can do to service our community in a more effective way, please let us know. We welcome your feedback and are grateful for your support.

Library Director
