Financial Report
Money Market/Private Checking discussion notes

As per a conversation with previous director, Lynn Konovitz:

**Money Market account:** the original funds came from a bequest from the estate of Eugene Bedaska in the amount of $29,797.49 on July 21, 1994. I am told he was an art teacher on the island. Lynn stated that there were no set stipulations to the fund's usage, just that they be used to benefit the library. Lynn stated he mostly used those funds to purchase books, but that was just how he chose to use them. I have found a copy of the will and a copy of the check in our files.

Prior to 2015, Lynn was depositing the annual Tower donations into the money market account. During Pat's tenure (2016-2017), it seems those funds went into the private checking account. From records I have found, that donation was received at least starting back in 2009 and included the following:

- 2017: $5000
- 2016: no record found
- 2015: $5000
- 2014: no record found
- 2013: $10,000
- 2012: $10,000
- 2011: no record found
- 2010: $10,000
- 2009: $10,000

These donations have no specific stipulations for usage as well, just for the benefit of the Grand Island Memorial Library.

**Private Checking Account:** consists of Bullet Aide from Chris Jacobs ($10,000 from 2017. We have not received the 2018 funds yet), Tower donation money ($5000 from 2017 spent on Maker Space technology. There is $580 left of this donation as of this report.), Hoover donation money ($1000 from 2017), and the rest are small memorial donations ($25 here, $50 there...I have a spreadsheet made up). With the exception of memorials which specifically request titles for purchase (which are handled fairly quickly after receiving the memorials), the rest of the funds have no spelled out stipulations and are to be used for the benefit of the library.
**Correspondence**

- **9/21/18:** Jackie James-Creedon of Citizen Science Community Resources. Ms. James-Creedon met at GIML with myself and John Gaff, Director of the City of Tonawanda Library to propose a partnership to have soil sampling kits in select libraries (Grand Island, City of Tonawanda, and the two Town of Tonawanda Libraries) for the community to take out and use. This is in direct response to the issues going on with Tonawanda Coke. There were a few e-mail correspondences between Ms. James-Creedon, the other directors and myself. Up until the announcement of Tonawanda Coke’s closing, I was going to propose to the board that we partner only as follows:
  - Provide a pick-up location for sampling kits
  - Provide meeting space for Citizen Science to offer public outreach and education for the community.

The other directors are on the same page with this version of a partnership, pending all boards approving. However, all communication from Ms. James-Creedon has ceased since the closing announcement.

- **9/21/18:** I forwarded an email from Dick Crawford informing us Councilman Marsten is heading a space needs assessment initiative for the town. The board has been asked for feedback.

- **Throughout the month of September:** the library received 3 separate donations totaling $400 in memory of Michael Freer. Acknowledgements were mailed and there were not stipulations given as to desired usage of the funds. The funds will stay in the library’s private account until either a library program or collection purchase is determined for them.

- **9/24/18:** Deborah Beis donated $50 in memory of Maria Connell. She asked that three children’s books be purchased with the funds. Acknowledgements have been sent and the books have been ordered. *Be Kind* by Pat Zietlow Miller, *All Are Welcome* by Alexandra Penfold, *I’m New Here* by Anne Sibley O’Brien.

**Director’s Report**

- **Albright-Knox partnership update:** received an email from Zack Boehler from AKAG on 10/12/18 that the project has been pushed back to a winter/spring installation due to the artist (Stephen Powers) requesting additional time to finish creating the art.

- **New 2018 Trustee Handbooks**

- **Discard Book Sale:** held by the Friends on 10/19-10/20. $518 was made and deposited into the library’s private checking account. Thank you to the Friends for running the event. Leftover materials will be split among AMVETS, the Central Library Institutions Department, and Anne Slater who has a contact who works with a children’s mission.

- **The following meetings/trainings were attended by Director Heintz in September and October:**
  - 9/10/18: Friends of the Grand Island Memorial Library regular meeting
9/12/18: September Manager/Director meeting at the Central Library  
9/19/18: Contract Library Manager/Director meeting at the West Seneca Library  
9/28/18: Library Space Planning training at the Audubon Library  
10/10/18: October Manager/Director meeting at the Central Library  
10/11/18: Library Card Updating Borrower Records Committee meeting at the Central Library  
10/15/18: met with Jen Menter of the Golden Age Center to talk about partnering on library outreach opportunities. Looking to do a kind of bookmobile scenario every few weeks to promote programs, register new users, and take items for check out. Final procedure would be determined after beta-testing this on November 2nd at the Golden Age Center’s Health Fair, where Kate Weeks and I will have a table. Kate will provide demos on the library’s database, Medline Plus.  
10/23/18: Joint committee meeting of the BECPL Circulation Committee and the Library Card Committee at the Central Library.  
10/30/18: Grand Island Book Club Title Selection Committee

- The following meetings/trainings were attended by Youth Services Librarian, Pamela Edholm:  
  - 9/28/18: Library Space Planning training at the Audubon Library  
  - 10/10/18: NYLA Youth Services Section Empowerment, Advocacy, and Leadership Academy webinar

- Goals for this month:  
  - Continue to work on creating an ongoing outreach at the Golden Age Center:  
    - a beta-test to figure out a procedure to issue new library cards and to check out materials at the Center will be happening on 11/2/18 during their health fair. We are borrowing a MobileCirc set up from the Central Library for this purpose which will allow us to check out books and create new accounts with an iPad and a scanner.

Respectfully submitted,

Bridgette Heintz
Old Business

- Petty Cash Policy follow-up
- Book Drop Slot: The new slot has been purchased, received and paid for. Harold has prepped the wall for installation. An appointment will be made with the Town highway department for install.

New Business

- Holiday schedule for 2019 - discussion
- Town space needs assessment discussion
- Progression of Patron Discipline Policy – discussion
