Expenditures were fairly routine since the last board report. Program supplies were purchased for the children's summer reading program and the summer programs for both libraries. The library received reimbursement from the Friends of the Library for Vox Books for the Lake Shore Library. The library's quarterly system return check was also received in July. This is to supplement for the loss of fine revenue.

Proceeds from book sale, candy sale, and mugs: 7/15/2025 – 9/10/2025 = \$729.15
