PRESENT: Karen Kaczmarski, Jack Connors, Anita Metzger, Marianne Chiumento, Bob Kaiser, 
Jack Edson (Director) 
Guests: Celinda Crego (Lakeview) and Nina Smeltz (Angola)

President Karen Kaczmarski called the meeting to order at 6:00 PM. MINUTES - Jack Connors moved to accept the Minutes of the December 6, 2016 meeting with the following corrections. Anita seconded and the motion was passed. CORRECTIONS: Under New Business - Officers for 2017 to be voted on at the January Meeting: 
President: Jack Connors 
Vice President: Karen Kaczmarski

PUBLIC COMMENT - Celinda Crego and Nina Smeltz were welcomed to the meeting. Celinda stated that she is pleased with the new carpeting at Lake Shore Library (LSL), but is concerned with the fact that many of the bookcases were moved - some, right out of the library, and feels that this has caused the library to lose its appeal. She does feel that the Lake Shore Library has much better handicap accessibility than the Hamburg Public Library (HPL). Jack Edson responded that it was very congested at LSL, a lot of the material was not used much, and that more space was needed. Weeding the collection is a process that goes on constantly, but has not been done at LSL in awhile. Jack E. advised that if wanted material can’t be found in a particular library, leave a note for the librarian.

Karen asked what made the HPL less accessible? Celinda responded that she does not have a “Handicap” permit, and the parking lot is much farther away from the main entrance. Also, when she first came in to the HPL, the ramp was not obvious, so better signage is needed.

Nina Smeltz feels both the sidewalk and the parking lot at the Lake Shore Library are safety concerns, and the Town needs to be notified. She also expressed dismay over how the landscaping looks at times, and was told that the Town takes care of this also. She feels we need to take a look at the floor space and how it is used, as right now everything appears to be shoved in front of the windows. It was mentioned that the painters are still working and that may account for the placement of some of the bookcases and other shelving. Nina asked a question about the possibility of a group having a fundraiser, and then raising enough money to purchase a couch for the Lake Shore Library. This would indeed be possible. She also feels that two more chairs are needed in the area facing the large windows.

Karen suggested that a sign at the circulation desk, letting patrons know that the collection has been weeded, might be helpful. Staff could then be informed if a patron is looking for something in particular. 
Both guests felt that information regarding Lake Shore Library needs to be on the website.

DIRECTOR'S REPORT - Jack E. presented the written report to the Trustees. Both Hamburg and Frontier School Districts will send representatives to work on the Long Range Plan. Jack asked Mary Jean to bring this up at the ACT Meeting on February 11. We have received another $3000 grant from the Town of Hamburg for which we are very grateful. Several suggestions were made for lighting the sign on Union Street. Jack E. will check on various possibilities. He will also check to see if the Town would help with this when they do the parking lot.

OLD BUSINESS - The NYS Construction Grant for the Lake Shore Library (roof) has been completed. Anita will check to see if we will have to pay a fee on the Expansion Account once most of the money is spent.
- - - Secret Garden - We have received 2 complete proposals (Gullo's and Beyond the Basics) for all 3 parts. The 3rd landscaping company was called twice, but never responded. There was discussion regarding the two proposals. Marianne Chiumento made a motion to accept the proposal from Beyond the Basics Property Services, Inc. Karen Kaczmarski seconded and the motion passed unanimously.
- - - Volunteer Reception - We would like to see the Friends group revived. Perhaps we could combine the revival of the Friends group with the Volunteer Reception into a singular event to be held in the spring. Anita and Marianne volunteered to meet with Tammy and other Staff members to get this going. Perhaps this could be tied together with the opening of the Secret Garden.
- - - New Librarian - Marianne will send a card, from the Board, welcoming Ashley Zengerski.

NEW BUSINESS - The Slate of Officers for 2017 are as follows:
Bob Kaiser made a motion to accept the Slate of Officers. Anita seconded and the motion was passed unanimously.

- - $3000 grant resolution from the Town regarding the Town’s annual contribution - Karen Kaczmarski made a motion to accept the agreement between the Town of Hamburg and the Hamburg Public Library to continue providing services. Bob Kaiser seconded and the motion passed unanimously.
- - The schedule of Library Board meetings for the next 3 months will take place at 6:00 PM on the third Tuesday - February 21, March 21, April 18. Additional dates will be added at the February Meeting.

Marianne Chiumento called the meeting to order at 6:00 PM. MINUTES - Bob Kaiser moved to accept the Minutes of the January 24, 2017 meeting. Anita Metzger seconded and the motion was passed.

PUBLIC COMMENT - Nina Smeltz was complimentary in saying that things look great at the Lake Shore Library. She wondered if some first lines from famous books could be added to the LSH walls like they were to the wall behind the desk at HPL? Jack indicated that this would not be a problem. Nina mentioned that she has called the Town of Hamburg Department of Public Works regarding the condition of the LSH parking area on Kennison.

Joe Lowry, a resident of Hamburg, owns RJR Engineering and operates in Springville. He is interested in becoming more involved with the library.

DIRECTOR’S REPORT - Jack E. presented the written report to the Trustees. He is still waiting for the last 10% of the grant money for the roof to give to the Town.

- The Kennison parking area (LSH) will be worked on in the spring.
- An Early Childhood survey will be conducted with the help of Dr. Tan, an Early Childhood Professor from Fredonia.
- Jack will ask if the Union St. parking lot sign can be raised. Joe Lowry will check into solar lights so the sign can be more visible at night.

TREASURER’S REPORT - Anita reported on the M&T Expansion Account and the fees that are charged if the accounts (checking and savings) fall below a certain amount. Once we receive the last 10% of grant money from the State, Jack will pay the Town and both of the Expansion accounts can be closed. Bob moved to put any remaining money, once the accounts have been closed, into the private accounts. Marianne seconded and the motion passed.

OLD BUSINESS - Secret Garden status: Don Witkowski, Hamburg Village administrator, is waiting to hear back from the NYS Dormitory Authority.

- Volunteer Reception - Anita and Marianne reported that this will be postponed until after an event(s). They met with Tammy Yekich, Donna Ludwig, and Jack E. to discuss the possibility of resurrecting a “Friends” group. An application to recruit members will be designed and an email will go out to all those who are currently on the Volunteer list and any others who express interest. Another meeting is scheduled for Friday, March 24 at 10 AM at HPL.

- Long Range Plan - Central’s is 4 pages long and is a 5-year plan (2017-2021). Our group will consist of 8 people, with Joe Lowry agreeing to be part of the group. Jack will find a March date that is good for everyone and we will begin the process.

- Both libraries will receive $500 from Central to be used for equipment. The $500 for LSH will be put towards purchasing 2 upholstered chairs. The $500 for HPL will be used for an outdoor garbage receptacle and other equipment.

NEW BUSINESS - Anita moved to accept the Whistleblower Policy, Chapter VIII Section 9, as stated in the B&ECPL Personnel Policies and Procedures Manual. Bob seconded and the motion passed. Jack reported that there are additional policies that we need to adopt. He will choose a different policy each month and send it to us ahead of the Trustee meeting.

PRESENT: Jack Connors, Anita Metzger, Marianne Chiumento, Bob Kaiser, Jack Edson (Director)

President Jack Connors called the meeting to order at 6:00 PM. MINUTES - Bob Kaiser moved to accept the Minutes of the February 21, 2017 meeting. Anita Metzger seconded and the motion was passed.

PUBLIC COMMENT - none

DIRECTOR’S REPORT - Jack E. presented the written report to the Trustees. Jack discussed the need for the Hamburg Public Library to develop a Long Range Plan. We have Central’s to refer to, but we do not necessarily need to follow their format. Jack Connors suggested that HPL’s should be no longer than 36 months, and that it should be broken down into 4 or 5 manageable areas of concern. Topics that were suggested included: collaboration and outreach, how best to utilize the meeting spaces, ways to revitalize the “Friends” group. We should also include a wish list of things we want to accomplish.

PRESIDENT’S REPORT - Jack C. mentioned a “My View” article that appeared in a recent Buffalo News.

TREASURER’S REPORT - Anita reported that she and Jacob closed out the Expansion Savings Account at M & T Bank. Soon they will close out the Expansion checking account. Any monies left were transferred to the Private Savings Account at Northwest Bank.

OLD BUSINESS - LSH output measures - For libraries of comparative size, LSH seems to be doing okay. We will continue to keep an eye on the numbers. It would be good to get Chelsey’s perspective.

- The final check from the NYS Construction Grant for the LSH roof has been sent to the Town.
- Secret Garden - Anita reported that we are hoping we are ready to get started in April.
- Volunteer Reception - We are planning to revive the “Friends” group, but under another name for the present time.
- Long Range Plan - A meeting is scheduled for March 22nd.
- Surveys - Jack E. distributed the surveys for both libraries. Perhaps we can use information from the surveys to help with the Long Range Plan. A suggestion was made for LSH to include a sign indicating all of the recent improvements, as well as to include information regarding the architecture of the library. It opened in 1966, the same year as HPL’s opening. Perhaps we could do some kind of celebration for the library’s anniversary - 50+ years.

- The “MY View” article in the Buffalo News 2 weeks ago was discussed. Jack E. will check on whether we can change the way, and where, the music plays.

EXECUTIVE SESSION - none

- Long Range Plan - committee will meet May 10.

NEW BUSINESS -

- Petty Cash Policy - was discussed and it was suggested that the library clerk keep records and report activity on a quarterly basis as part of the Treasurer’s quarterly report. Discussion took place and this policy will be put on the agenda for a vote at the May meeting.
- Lake Shore Library equipment - Jack Edson recommended the purchase of a large screen TV for the LSH meeting room, using funds for such electronic equipment included in a grant received from NYS Senator Patrick Gallivan in 2013. Jack Connors made a motion to purchase the item, Karen Kaczmarski seconded the motion and the motion passed unanimously.
• Proposed revision of NYS minimum standards for public libraries: Jack Edson and Jack Connors reviewed the survey prior to the board meeting and Jack Edson will complete and submit the survey.

- Long Range Plan - Jack Edson is still getting feedback from the Committee. Some suggestions from the Board include: prioritize items, divide into actions that can be taken immediately and what will take more time and money, and finding ways to tell when goals have been achieved (although many are ongoing). Jack will go over the Plan and make changes, send it to the Committee for further input, and then he will present the finished Plan, ready for the Board to adopt, at the next meeting.

- Petty Cash Fund Policy - Jack E. added a line to the beginning of the paragraph of the policy the Trustees had received. Jack E. feels the amount to be maintained will work. Marianne Chiumento moved to approve the Petty Cash Fund Policy. Anita Metzger seconded and the motion was passed.

- Claims Audit Policy - This includes things like mileage and reimbursement for certain expenses. Two signatures are needed for the checks, and the Claims Auditor cannot write checks. Jack Connors suggested putting the Policy together and checking with Tracy or Ken to be sure the Policy is in line with Central’s Policy.

- United Way Born Learning Trail - can be used at both libraries. A sponsor is being sought.

NEW BUSINESS - Anita commended Tammy Yekich on the work she has done, and continues to do, to encourage Boosters, get library card applications out to the schools, and coordinate volunteers for the two Book Sales.

- Procurement Policy - We initially followed Central’s lead for the Secret Garden, but now we need to follow the Town of Hamburg’s policy.
