Tune of Here We Go Round the Mulberry Bush

This is the way we plant our seeds,

This is the way the wind does blow,
Early in the morning.

Sun shines bright, sun shines bright.
This is the way the sun shines bright,
Early in the morning.

Seed grows up, seed grows up.

Early in the morning.

This is the way we pick our beans,
Pick our beans, pick our beans.
This is the way we pick our beans,
Early in the morning.

Tune of Row, Row, Row Your Boat

Dig, dig, dig your garden
Make it smooth and neat
Push, push, push that shovel,
Push it with your feet.

Plant, plant, plant your seeds
Push them down an inch
Cover your seeds with some soil
Cover with a pinch.

Water, water, water your seed
This will help them sprout,
Sprinkle lightly and let's not pour
And don't let them dry out.

Sun, sun, sunshine
It will turn them green,
Carrots and radishes and peppers, too
Tomatoes and some beans.

Watch, watch, watch them grow
See them grow so tall
Put a scarecrow in the ground
To protect them all.

Pull, pull, pull the weeds
Keep your garden clear
To make them grow up and out
And stretch out here and there.

Pick, pick, pick your feast
Cook some veggie soup
You'll have lots and lots to eat,
Enough to feed the group.

Then he stands and takes his ease,
Stamps his feet and claps his hands,
And turns around to view the land!

Tune of Twinkle Twinkle Little Star

Take a bus or take a train
Take a boat or take a plane
Take a taxi, take a car
May be near or may be far
Take a space ship to the moon
But be sure to come back soon!

The airplane has great big wings (arms outstretched)
Its propeller spins around and sings (spin one arm)
The airplane goes up (lift arms)
The airplane does down (lower arms)
The airplane flies high (arms outstretched, spin)
Over the town! (fly around)

Tune of Row, Row Row Your Boat

Drive, drive, drive your car,
All around the town.
Merrily, merrily, merrily, merrily,
Up the hills and down.
Turn, turn, turn the key,
Make the engine roar. VROOOOM!
Merrily, merrily, merrily, merrily,
Let's go to the store.
Press, press, press the pedal,
Give the engine gas.
Merrily, merrily, merrily, merrily,
Now we're going fast.
Turn, turn, turn the wheel,
That is how we steer.
Merrily, merrily, merrily, merrily,
Make a turn right here.

This is a choo choo train (bend elbows)
Puffing down the track (rotate arms in rhythm)
Now it's going forward (push forward, continue rotating motion)
Now it's going back (pull arms back, continue rotating motion)
Now the bell is ringing (pretend to pull the cord – ding ding)
Now the whistle blows (hold fist near mouth and toot toot)
What a lot of noise it makes (cover ears)
Everywhere it goes. (stretch out arms)

Tune of Did You Ever See A Lassie?

Did you ever see a bulldozer,
a bulldozer, a bulldozer,
Did you ever see a bulldozer,
Go this way and that?
Go this way and that way,
Go this way and that way,
Did you ever see a bulldozer
Go this way and that?
-Crane
-dump truck
-mixer

Tune of This Is The Way We

This is the way we pound our nails,
pound our nails, pound our nails,
This is the way we pound our nails, so early in the morning.
This is the way we saw our wood,
Saw our wood, saw our wood.
This is the way we saw our wood, so early in the morning.
This is the way we use a screwdriver,
use a screwdriver, use a screwdriver,
This is the way we use a screwdriver, so early in the morning.
This is the way we drill a hole,
drill a hole, drill a hole,
This is the way we drill a hole, so early in the morning.

Tune of Down By The Station

Down by the station (down by the station)
Early in the morning (early in the morning)
See the little pufferbellies (see the little pufferbellies)
All in a row (all in a row)
See the station master (see the station master)
Turn the little handle (turn the little handle)
Puff, puff, toot, toot (puff, puff, toot, toot)
Off we go! (off we go!)
