Goals and Objectives

At the Cheektowaga Libraries we strive to service the citizens of Cheektowaga and the greater Western New York region.

To do this we:

- Have a growing collection of up to date books, audiobooks, movies and databases.
- Help educate with classes on technology, early literacy programs and community focused events.
- Create a welcoming environment at both locations where patrons feel comfortable using the facilities and asking for help.
- Strive for continuing education for our staff.
