- Early March into February, the Anna Reinstein Library collaborated with Meals-On-Wheels to provide Valentine's Day cards to the elderly. A Valentine's Day Mail Box was set up in the Children's area with materials to make Valentine's Day cards. These cards were collected and given to Meals-On-Wheels who would then give them out along with a meals on February 14.

- February 2 & 23 – Librarian Laura Scott coordinated two Adult Craft programs in February for the Julia Boyer Reinstein Library. The first, a makeup program for one cancelled in January due to weather, featured a tiny art theme in which patrons expressed themselves on canvases 3'x5' and smaller. The second program featured dry flower arrangement on paper. These programs have become very popular and many older adults are bringing their friends and grown children to spend a fun and relaxing afternoon at the Library.

- February 7 – The Julia Boyer Reinstein Library, collaborating with the SPCA’s Paws for Love program offered “Read-to-a-Dog” sessions for Children 10 and under. This program allows children to read their favorite picture book to a service dog trained to sit still and listen to the story, the children can pet and lean on them as well. It is a great way to promote reading and allows the gentle calm of service animals to create a stress free environment.

- February 8 - As the cold weather lingered in Cheektowaga through February, the Reinstein Yeti made an appearance at the Julia Boyer Reinstein Library. Walking out of the Reinstein Woods, he stopped in and read a few picture books to the children inside. After some stories and a few STOMP your foot games he returned to the cold woods, happy to have made new friends.

- February 9 – The Anna M. Reinstein Library hosted a free “Candlelight Concert” with Sally Schaefer and Tyler Bagwell with the musicians playing a set of Valentine’s themed folk music.
