BUILDING & GROUNDS UPDATES

- Carpets shampooed/deep cleaned in library meeting room and children's area performed by Caretaker Eric Szymborski 5/25 & 5/26
- Seasonal exterior pest control performed by Suburban Pest Control 5/23
- Air conditioning activated during the last two weeks of May as weather got warmer. Chiller was manually reset once by Eric Szymborski on 5/30 in order to initiate cooling when temperature was over 75°F. We want to keep the temperature in the library at approximately 74°F throughout the summer.
- General seasonal landscaping conducted by Caretaker Eric Szymborski throughout the month: lawn mowing, litter cleanup, weeding, fallen brush removal, etc.
- Blu-ray player located in library's meeting room A/V cabinet began presenting a "No Disc Loaded" message when Blu-ray or DVD discs are inserted into the device. The device will not play media from a disc. Branch Manager Matthew Best will troubleshoot further.
