Currently the Cheektowaga Libraries have lines of money coming in from the Town to cover Buildings & Grounds costs and to cover salaries for extended open hours at the Anna M. Reinstein Library.

Construction grants are available for libraries that are expanding accessibility, and energy efficiency. We have had an ongoing leaky roof problem at the Julia Boyer Reinstein Library.

Programs at the Julia Boyer Reinstein Library can get very busy, causing the parking lot to be full. This forces patrons to park on the street which can be dangerous. We ask for consideration for a crosswalk for the safety of our patrons.
