**OLD BUSINESS**

**Item #04: Reinstein Archive Exhibit:** Archived items from the Reinstein Memorial Library are on display currently at the National Jewish History Museum in Philadelphia PA. It will stay on display there until July 2017 then move to its sister location in New York City where it will stay until December 2017. We will receive the items back the end of January 2018.

**Item #05: Security Cameras:** There are several libraries within the Buffalo & Erie County Public Library system that have shown interest in the possibility of purchasing new and better security cameras for their locations. Chief Financial Officer, Ken Stone is trying to work out the details of using a NY State Construction Grant to cover the cost for this project.

**Item #06: JBR Roof:** Senator Tim Kennedy will officially announce the awarding of State grant money in the coming months for the Julia Boyer Reinstein roof replacement project.

**Item #07: JBR HVAC System:** We are currently working with the Town of Cheektowaga and Johnson Controls to address some HVAC system issues at the Losson Road location and then applying for another State construction grant to help finance the project.

**Item #08: REI ADA Concrete Work:** For the safety of staff and patrons, the concrete pathways between the parking lot and library entryways at REI need to be addressed. This includes eliminating a curb by the ADA parking spaces, leveling the walk pads with the door thresholds, and shortening the pathway to the main entryway.

**Item #09: Exterior Building Lights:** The town electrician is still in the process of replacing all the exterior lights at JBR and REI. After all the lights are installed we will reassess any safety and or security issues.

**Item #12: State Mandated Childrens Research Project:** All libraries in NYS are included in this project. It involves collecting data from the public using focus groups and volunteers with no
