MINUTES OF THE MARCH 7, 2012 MEETING
OF THE TOWN OF TONAWANDA LIBRARY BOARD

A regular meeting of the Board of Trustees of the Town of Tonawanda Public Library was held on Wednesday, March 7, 2012 at the Kenmore Library, 160 Delaware Road, Kenmore, New York, following due notice to trustees, official public notice to the Tonawanda News, and a posting in the Kenmore and Kenilworth Libraries. The following members were present:

Jason Aronoff               Penny DePasquale               David Dietz
Eileen Crawford           Sheila Ginnane              Jeanne Phillips

Also attending: Dorinda Darden, Library Director of Kenmore-Town of Tonawanda Libraries

Board Co-Chair, Jason Aronoff, called meeting to order at 4:07 pm.

APPROVAL/CHANGES TO AGENDA:
• Jason Aronoff suggested that Unfinished Business be discussed following the Report of the Chair in the interest of time. Eileen Crawford made the motion to accept this change and Sheila Ginnane seconded it. Motion passed

ADOPTION OF MINUTES:
• David Dietz made a motion to accept the minutes from the meeting of February 14, 2012 with one change. Wherever the abbreviation SDL was used it should be written out as Special District Library. Eileen Crawford seconded this motion and the minutes were accepted with this change.

REPORT OF THE CHAIR:
• Jason Aronoff reported on the meeting with Erie County Legislator, Kevin Hardwick. This meeting was held on February 25, 2012 at the City of Tonawanda Library. Attending were representatives from the libraries in Kenmore-Tonawanda, Grand Island and the City of Tonawanda. Mr. Hardwick stated that he was not in favor of the Special District Library and that he would begin an effort to devise a Plan B. This plan would probably involve a change in Erie County’s charter to enable the library system to have a more stable and adequate funding system.
• Once all the construction at the Kenmore Library is completed, it will be important to express the Trustee’s thanks and appreciation to Town employees and supervisors.

UNFINISHED BUSINESS:
• Security System: Dorinda Darden is recommending that outside only one camera be mounted in the front of the library and one in the back. Inside she would like to keep two in the lobby downstairs. Four have been suggested for different locations upstairs. Dorinda Darden doesn’t feel one is necessary in the second floor seating area but that there should be one in the magazine area and one for covering the back of the Children’s area. This decision will be tabled until the original estimate can be revised with suggested changes.
• The Special Legislative District Library survey has been completed but not yet sent.
• The relocated Director’s office at the Kenmore Library is available for occupancy. However, Dorinda Darden would like to wait until Tech Support is able to set up technology in these offices prior to a move.
• Plans for the Kenmore Library re-opening ceremony will be made for May. This allows sufficient time for signs to be made and to complete any last minute details.
