The following members were present:

Also attending: Dorinda Darden, Library Director of Kenmore-Town of Tonawanda Libraries

Board Co-Chair, David Dietz, called meeting to order at 7pm

APPROVAL/CHANGES TO AGENDA:
• Motion made by Eileen Crawford and seconded by Jason Aronoff to accept agenda as is. Motion passed.

ADOPTION OF MINUTES:
• Motion made by Sheila Ginnane and seconded by Eileen Crawford to accept minutes from the meeting March 7,2012 as written. Motion passed.

REPORT OF THE CHAIR:

Developments on the Special Legislative District Library proposal:
• Meetings with County Legislator Kevin Hardwick regarding efforts to develop a Plan B, as an alternative to Special Legislative District Library. Two critical areas, i.e., financial sustainability and staff mobility
  o Hardwick’s “shock-absorber” proposal: no more than 2% (?) per year library budget reduction by way of a charter amendment
  o Investigations by Jeannine Doyle to determine if present civil service restrictions might be adjusted.
  o In addition, Dick Earne’s proposal to give library greater flexibility in spending budget allocations either under the present contract system or under the new library district proposal, should it be approved.
• Today’s Buffalo News article (Denise Gee) – Four year budget projections:
  o Library funding: 1% increase each year for four years. This would result in a cumulative 4% increase by 2015, despite projected 7% increase in county personnel costs over the same period.
  o What is the current budget? If the increase next year is projected to be $198,725 then the current budget is $19,872,000, not the $21 or $22 million budget as expanded by former county executive Collins.
It is noteworthy that County Executive Poloncarz makes no mention of Special Legislative District Library proposal in his budget projections.

Report on meeting of Lisa Chimera and Anthony Caruana with Executive Poloncarz:
- Lisa Chimera and Supervisor Caruana met with County Executive Poloncarz regarding county support for a new town library.
- Although sympathetic to the town’s case he insisted that there was no additional county money that might be used to help finance a new town library.
- In addition, the B&ECPL’s Building Oversight Committee most likely would turn down any proposal for new library construction as they did before.
- Since the building at 100 Colvin Woods is apparently about to be sold, it appears that the prospect for a new library is just about zero.
- Also County Executive Poloncarz expressed his opposition to the Special Legislative District Library proposal.
- On another negative note, Mr. Poloncarz indicated that he expects the B&ECPL 2013 budget to be at the same level as that of 2012.

Future Meetings of Note:
- Thursday, April 19th: Meeting of the B&EPL Planning Committee 4:00 PM at the Central Library.
- Saturday, May 5th ACT meeting at West Seneca Library, 9:00 AM.
- Tuesday, May 8th, Library Board Meeting.
- Tuesday, May 15th, meeting of the Erie County Legislature’s Community Enrichment committee to discuss Legislator Hardwick’s charter proposal.
