REPORT OF THE CHAIR:

1. ACT Meeting Wednesday, June 6, 2012 at J. Reinstein Library (Lancaster):

• Jason Aronoff and David Dietz attended the meeting. The meeting mostly consisted of Ken Stone’s lengthy overview of the B&ECPL budgets – past, present, and future [Note: Trustees can access Stone’s complete PP presentation on the Trustee website]. The current Erie County library budget of $21.8 million comes from two sources: county property tax ($19.8 million) and county interfund revenue subsidy ($2 million). [See Appendix for the complete B&ECPL budget breakdown]. Erie County Executive Poloncarz’s four-year plan calls for this to continue with only 1% yearly increases. If implemented these amounts would not allow the library to operate at current levels and would require a reduction of library hours, due to contractually mandated increases in staff health benefits, salaries, and pension costs. Both Ken Stone and Mary Jean Jakubowski are hopeful they can convince Executive Poloncarz and/or county legislators to increase library funding to meet these cost increases.

• In addition, a larger library budget would also be helpful when a first library budget is proposed in the 2013 (?) Special District Library referendum.

• Ken Stone and Mary Jean Jakubowski commented briefly on Kevin Hardwick’s proposal by way of a charter amendment for a 2.5% “shock-absorber” to prevent the kind of drastic library budget cuts that we experienced in the past. Hardwick’s proposal was presented recently to the Community Enrichment Committee. While praising Hardwick’s efforts in
behalf of the library, both felt the proposal was inadequate for long range budget stability and sustainability

2. 2010-2011 NYS Construction Grant:
   • Since the actual costs of the remodeling of the Kenmore library have come in below original estimates, we are looking to the possibility of using the unspent funds to improve library lighting – an item that was originally considered but later dropped in an effort to contain costs of the grant request. If we can secure a quote from a vendor within the levels of the unspent funds, we will submit an application for an extension of the grant. This will have to be filed by June 30th.

3. Status of Special District Library Proposal:
   • The original timetable is behind schedule.
   • Final determination of the MOU’s has not yet been finalized, specifically those dealing with the responsibilities of the advisory boards under the Special District Library structure, and the leasing agreements with the towns regarding the existing library facilities in the towns.
   • Libby Post’s marketing efforts have been limited to meetings with library boards and friends groups regarding the advantages of the Special District Library proposal. Little has been done to build public pressure on county officials to increase the 2013 library budget.

4. Next Meeting of ACT with Ellen Bach is scheduled for Wednesday, June 20, 2010 at the Audubon Library from 6:00 to 9:00 PM. David Dietz will not be able to attend this meeting.
