MEETING OF THE TOWN OF TONAWANDA LIBRARY BOARD
MARCH 12, 2013

A regular meeting of the Board of Trustees of the Town of Tonawanda Public Library was held on Tuesday, March 12, 2013 at the Kenmore Library, 160 Delaware Road, Kenmore, New York, following due notice to trustees, official public notice to the Tonawanda News, and a posting in the Kenmore and Kenilworth Libraries. The following members were present:

Eileen Crawford          Jason Aronoff          Sheila Ginnane
Jeanne Phillips         Nancy O’Donnell

Also attending: Dorinda Darden, Library Director of Kenmore-Town of Tonawanda Libraries

APPROVAL/CHANGES TO AGENDA:
• Motion made by Eileen Crawford to add “Review of Emergency Procedures” under Unfinished Business. Motion seconded by Sheila Ginnane

ADOPTION OF MINUTES OF THE FEBRUARY 12, 2013 MEETING:
• Motion made by Sheila Ginnane to accept minutes and seconded by Eileen Crawford. Motion passed.

REPORT OF THE CO-CHAIR:
• Dave and Ruth Dietz sent a Thank You card to the Board and to others for treating them to dinner at Jovi’s in January and for the Gift Certificate we presented to them for a dinner at a restaurant in Baltimore.
• Sheila Ginnane, Jeanne Phillips, and Jason Aronoff met on February 18th to discuss meetings we would be having with local political and business leaders to promote the Special Library District. Having just received a letter from the library board members in Cheektowaga questioning the need for such a special district, we decided to postpone meetings with leaders until it was clear that we would not be asked how it was that other town’s library boards were not in favor of the special district.

• Jason Aronoff emailed Library Director Mary Jean Jakubowski expressing hesitation about going out to leaders before it is clear that all library boards have a favorable view of the Special Library District.
Jason Aronoff suggested that we slow down on our efforts with leaders until it was clear that the concerns expressed by the Cheektowaga people were answered to their satisfaction.

- Co-Chairs also emailed the library system’s Chief Operating Officer, Carol Batt, about security procedures in the event of a gunman or other person intent on harming people getting into a library. This email was prompted by Dorinda sending us the library system’s emergency procedures, which did not include anything about the possibility posed to Carol Batt.

- Carol Batt responded the next day with on-line information the library system had that in part addressed the concerns expressed, and said she would consult with others about the issue and then get back to me.
