The group has several master gardeners that have come up with a plan. Melissa Foster presented KVIS’s plan to the Board. The plants would bloom at various times. The plants would be bought locally. KVIS is proposing to do the work for $600. The price is for the cost of materials. KVIS will volunteer their time. They believe that they can start sometime near the end of June. Maintenance of the garden will be done by the Green Thumb Helpers. The Green Thumb Helpers are organizations that sponsor gardens at various lots in Village. Ms. Foster will get back to the Board about the start time. Motion was made by Jeanne Phillips to accept the KVIS’s proposal as presented and seconded by Rachel Kranitz. Motion passed.

The Nonprofit Revitalization Act becomes effective July 1, 2014. We have to adapt our bylaws
to reflect the new changes in the law. Mary Jean Jakubowski, Buffalo & Erie County Public Library Director, would send us a template of the wording that should be in our bylaws. We should do a yearly monitoring of any conflicts that we may have. Business dealings that may have a conflict need not be prohibited if the transaction is “fair, reasonable and in the corporation’s best interest.” Director Darden presented a template called the “Sample Board of Trustees and Library Employee Conflict of Interest Policy” from the American Library Association (ALA). The Board decided to table further discussion until next month.

- Chair Ginnane discussed the first floor remodeling ideas. The Board believes that we may have to hire outside consultants before making a proposal to the Town. More research needs to be done before making any decisions. The Board decided to table further discussion until next month.
