Librarian Margaret Kuntz asked about the possibility of having KVIS improve the landscape at Kenilworth. KVIS is interested in doing something at Kenilworth but KVIS would not be able to do it this year.

- Director Darden contacted Frey Electric about the lighting upgrades for the Kenmore Library. He stated that Frey Electric plans to do the work on June 13th.

- On, May 19th, Kenmore Branch Manager Sue Makowski contacted Jim Abramo from the Town of Tonawanda about the problems with the elevator at the Kenmore Branch Library. A representative from Otis came out to investigate the problem and identified what was needed to resolve the problem. Elevator parts are on order and work is hopefully scheduled for next week.

- Kenmore Branch Caretaker Rickie Davis painted the Kenmore staff workroom. The Town will not be able to paint the common areas at the Kenmore Library until late fall after the Town Ice Rinks are open. The Town has completed the pricing on new carpets and a shed at Kenilworth Library. The Town has not yet received pricing for new windows at Kenilworth. A new data line was installed at Kenilworth. The Town repaired the drinking fountain and a paper towel holder. Town of Tonawanda Parks & Recreation Director Jeff Ehlers wants to set up a meeting to discuss where the money would come from for these initiatives. The Board also needs to discuss with the Town about putting handicapped accessible doors at Kenilworth.

- Chair Ginnane contacted Cindy Chamberlin from Interior Design by Cindy Chamberlin about interior changes to the Kenmore Library Community Room.
Ms. Chamberlin discussed many painting changes to the community room, director’s old office, and the stairway to the upper floor. Trustee Kranitz suggested that we should meet with Ms. Chamberlin to get an idea of what needs to be done and then present it to the Town.

- The Board reviewed a copy of the proposed Bylaws by Jaeckle Fleischmann & Mugel, LLP which reflected changes that would bring the Town of Tonawanda Public Library into compliance with recent amendments to the NY Not For Profit Corporation Law. The Board also reviewed the conflict of interest policy that would comply with the new laws, a bylaws provision that would provide for the proper monitoring of that policy and a suggestion as to where and how, in our present bylaws this can be accommodated. Under Article VII of Town of Tonawanda Public Library Bylaws, amendments to the bylaws require two meetings. Board will need to adopt the Conflict of Interest and Whistleblower Policy at today’s meeting then at the next meeting the Board will have to amend its bylaws to designate the entire board as responsible for the adoption, implementation, and oversight of the two policies. The Board agreed that they would not have a designated committee but that the Board would be responsible for the oversight of the two policies. Motion was made by Rachel Kranitz to adopt the Conflict of Interest and Whistleblower Policy as presented and seconded by Laura Glass. Motion passed.
