UNFINISHED BUSINESS:

Kenilworth Library Garden Survey

On May 27th Melissa Foster of the Kenmore Village Improvement Society met with the volunteers for doing the gardening at the Kenilworth Library.

Director Darden will contact Melissa Foster next week about moving forward on the gardening project at Kenilworth.

2016 Budget Service Improvement Requests

As reported in the May minutes, Director Darden said that she and the other Directors received an email from Ken Stone, the library system’s Chief Financial Officer, saying that each Director should submit a request for service improvements for each library for the 2016 budget process. Mr. Stone would like each Library Director to get going early to make requests for services they’d like to offer patrons, services to be paid for by extra County funds that may be made available to the library system. Director Darden submitted a “wish list” for building guards for the Kenilworth and Kenmore Libraries for 19 hours a week for each library. If the funds would come available, the guards would handle the more serious confrontations the library staff has had with students and patrons over the past couple of years. The guards would be hired from the Civil Service list.

2013-2014 New York State Construction Grant

Director Darden said that Parise Mechanical, the contractor, and the Town officials have worked out some of their differences about timing and procedures. Parise has the roof unit for the Kenmore Library, and will be starting work on that part of the project next week.

Initiatives for the Town of Tonawanda Public Library-Kenilworth and Kenmore Branches
Laura Glass has talked with the Farrells about historical images they could offer to be displayed in the Community Room. Trustee Glass had sample prints of historical photographs the Farrells provided. She also had two examples of frames, an oak and a black, for the Board to consider. It was decided to go with the oak. There would be five or six prints placed in the Community Room.

Chair Ginnane recommended that we have the July meeting at the Kenilworth Public Library.

**Town of Tonawanda Public Library Display Cases-Exhibit Space Rules for Use.**

Trustees briefly discussed the modified proposals made by Laura Glass to establish consistent and complete guidelines for displays in the main display case on the first floor at the Kenmore Library. Eileen Crawford made a motion to accept the set of rules for the use of the display case, and Laura Glass seconded the motion. Motion passed.

**Procurement Policy**

Director Darden noted the areas of the Buffalo and Erie County Library’s Procurement Policy where our Board could make changes. Ken Stone, the library system’s Chief Financial Officer, has recommended that each Library Board in the system adopt a Procurement Policy. Although most of the procurement decisions are made at the library system level downtown, each Board may have grants, or other things, for which some procurements may be made. Eileen Crawford and Stan Pustulka pointed out that the policy provides procedures for us to follow for purchases that we might make to enhance our libraries, purchases not necessarily ones the system would provide.

With the appropriate changes being made on the policy form, Laura Glass made a motion to adopt Procurement Policy, and Eileen Crawford seconded the motion. Motion passed

**Investment Policy**

The Board discussed the wording on the timing for the appropriate Board members to invest any money given to the Town of Tonawanda Library Board, and the persons on the Board who would be doing the investing. It was felt that the investments should be made within ten business days of receiving the money, and that those currently on the bank’s list of those eligible to make bank transactions—the Treasurer, the Chair, the Vice Chair, and the Director, be the ones to make the transactions.

Our investments as a Board are restricted to Certificates of Deposits and savings accounts that have essentially no risk of losing any of the money donated for library use.
The Board was unclear on some of the wording, and decided to table the vote on the Investment Policy until Director Darden could clarify the wording with Ken Stone. The vote on the Investment Policy was tabled until the July 7th meeting.

NEW BUSINESS:

Amend Town of Tonawanda Public Library Rules of Content
