# DELICIOUS BANANA BREAD!

BY CHARLIE

# WHEELY GOOD!

BY BELLA

This book is about a yellow bus and all the things it did.

A yellow bus once drove kids to and from school, & the kids filled it with joy. But then, the bus drove the elderly, & they filled it with joy. But then the yellow bus was left, and the bus drove no one, but what happens after?

This book is quite an interesting read, and you should read this book.

## BOSTON TERRIERS: THE BEST DOG FOR A FAMILY... MAYBE

BY CHARLIE

Boston Terriers are a small dog breed. Bred from an English Bulldog and a White English Terrier, their height can range from 10-12 inches. Their weight can range from 12-25 lbs and their life expectancy is from 11-13 years. They are very affectionate with family and they are good with children and good with other dogs. Their big eyes can shine with kindness, curiosity, or mischief. They love to play but make sure to buy super super tough toys because they rip the toys apart. But don't worry about furniture, they don't tear that apart. They sleep a lot so maybe they are the best dog for a family.
