II. Call to Order: President Jacobs called the meeting to order at 1:00 PM.

III. Approval or and/or changes to the Agenda: Additions – IX. New Business, D. Holidays. MSP Yarborough, Tamol

IV. Review and approval of the July 17 meeting minutes:
Correction –
VIII. Old Business, E. Gallivan Grant, Laptop Computers $1420.00. MSP Tamol, Yarborough

V. Report of the Director: July was busy with 49 programs for children and 11 programs for families. Circulation was up 1.02% over July 2013. Children could choose a toy if they took out 10 books or more. The patron who was moving and hiding books for a long time was caught. It’s estimated the patron’s activities cost the library 100 regular working hours. The patron will not be allowed to use the library until he talks to the Director. Two board members requested the Director have another employee witness their discussion.

VI. Financial Statements
A. Programming Budget Request - The programming budget’s current balance is $80.00. A motion was made to put $3,000.00 (Three Thousand Dollars) into the budget and allow the library to spend it. MSP Jacobs, Tamol
B. Reminder – Investment of Funds – no action was taken.
VII. Public Comment – Sheila Gibbs, President of the Friends of the Lancaster Public Library. President Gibbs informed attendees that Carol Welker is collecting appliances for next year’s Friend’s fundraiser. Carol Welker is also reserving a hall date for it. Director Stelzle is looking for a display case for the library that will be paid for by the Friends. Bill Litz is organizing the Junior Friends group.

VIII. Old Business
A. 2014 State Construction Grant Update – A tentative parking lot design is required. It was also decided that mention of the park be eliminated from the plan and the grant.
B. Parking Lot Plan Review – The abovementioned plan only adds seven new parking spaces. The library needs more than seven. Suggestions included: taking out the park and moving the air conditioning unit behind the building thus using that area for parking. President Jacobs suggested we meet with the town engineer and paying for his time if necessary.
C. Directors’ and Officers’ Insurance – Trustees were given a copy of the insurance from the central library.
D. Status of Orders for Furniture/Technology – With the exception of a few cables and the Nook, the technological items were ordered and delivered. A television installation vendor has not been chosen. The furniture is not ready. All of the old furniture has a county ID and will be returned to the county.

IX. New Business
A. New Gallivan Grant – State Senator Pat Gallivan requested accounting for the new, 2014 grant. Suggestions for purchases included two to four new laptops, creation of a maker’s space, and contracting with a computer trainer to hold more computer classes, including operational education for the Nook, iPad, and Kindle.
B. Librarians’ Contract – A new Librarian’s contract was ratified. It includes a pay increase, an increase in the librarian’s healthcare contribution, the loss of three summer compensation days, and loss of pay for Columbus and Election Day.
A motion was made to keep the library open on Columbus Day and Election Day in 2014. MSP Tamol, Howell

Meeting with the Town Engineer
The board met with Town Engineer Robert Harris of WM. Schutt Associates, regarding the parking lot. Harris told the board that in preparing the grant the town needed a conceptual plan and pricing from a contractor. The current plan is a site and
grading plan. The board was shown a new plan that added one more space. President Jacobs suggested converting the drop off area into parking spaces. Director Stelzle suggested that seven more spots could be added if the air conditioning equipment was moved and the drop off area changed. Harris responded that obtaining the grant does not absolutely tie the finished product to the plan submitted.

IX. New Business (Continued)
C. Shirley Martin – Arrangements and Donations – The Board agreed to a personal contribution of $25.00 (twenty-five dollars) per member for a memorial to Shirley Martin based in input from Al Martin.
