

Terrarium Workshop with the Botanical Gardens!

Thursday, April 6
1:00 - 2:00 p.m.

**Registration begins Monday, March 6.*

For Ages 6-12

Looking for a unique hands-on learning experience for kids? The Botanical Gardens presents a terrarium workshop for children. Each child will learn about what plants need to grow and discover the workings of the water cycle while creating the perfect habitat for a tropical plant.

This miniature ecosystem is fun to create, easy to care for and easy to transport home.
