# Tools

## Deadhead Mini-Snips

Mini snips specifically designed for deadheading flowers or herbs. Fits neatly between the finger and thumb and uses a simple pinching action to work.

## Hand Trowel

A helpful trowel for ergonomic working.

## Ika Hoe

A heavy duty, high quality, Japanese hand hoe that can be used with one hand. Features a fork on one end and a flat hoe on the other. Useful for turning soil, weeding, and harvesting.

## Needle-nose Pruner

These lightweight pruners are perfect for cutting flowers, fruit, and dead-heading.

## Hand Pruner

Quality hand pruners with three positions & optimized blade shape. Cuts branches up to 3/4 inch.

## Transplant Trowel

Useful trowel for transplanting. Blade includes a depth scale.

## Multi-blade Herb Scissors

Quickly cut, snip, and mince herbs. High precision, stainless-steel blades on each side allow you to prepare herbs without a knife.

## CobraHead® Weeder

Versatile steel tool used to weed, cultivate, make small furrows, and even as a mini trowel for small transplants.

## 4 Soil Blocker

Soil blockers compress potting mix to form blocks that hold their shape. Makes 4, 2" tall blocks with dibbled depressions for holding seeds. Decreases the likelihood of transplants becoming rootbound.

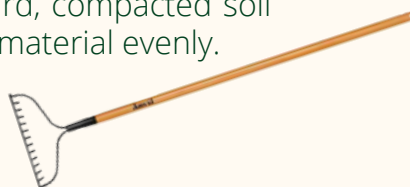

## Sow Perfect Seeder

Precision seeder, especially useful for spacing seed evenly in trays or for direct sowing. Seeder can be used with raw or pelleted type seed. Seeder comes with 3 handles and tray.

## Bow Rake

Durable steel rake, useful for breaking up hard, compacted soil and spreading material evenly.

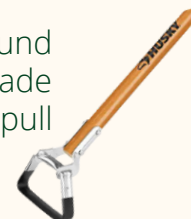

## Ho-Mi EZ-Digger

Traditional Korean hand plow uniquely designed, allowing it to be used to dig, furrow, weed, cover seed, and loosen, level, cultivate, and mound soil. Functions like a plow when pulled toward the user.

## Stirrup Hoe

Suitable for cultivating around growing plants. Sharpened blade on both sides enables push-pull movements during use.

## Mini-Shovel

Smaller-sized shovel useful for a variety of garden tasks. Can be used in a sitting or kneeling position. 28 inches long.

## Bulb Planter

Great for planting bulbs and other small plants in pots and flowerbeds. Serrated, spring-loaded steel cone is perfect for removing soil and planting bulbs.

## Handy Seed Sower

Device lets you sow small seeds evenly and quickly. An adjustable outlet controls the flow and sizing of the seeds.
